SUPPLEMENTARY INFORMATION: The Copyright Act, title 17 of the United States Code, grants to sound recordings copyright owners the exclusive right to publicly perform sound recordings by means of certain digital audio transmissions, subject to limitations. Specifically, the performance right is limited by the statutory license in section 114, which allows nonexempt noninteractive digital subscription services, eligible nonsubscription services, pre-existing satellite digital audio radio services, and pre-existing satellite digital audio radio services to perform publicly sound recordings by means of digital audio transmissions. 17 U.S.C. 114(f). In addition, a statutory license in section 112 allows a service to make necessary ephemeral reproductions to facilitate the digital transmission of the sound recording. 17 U.S.C. 112(e).

Licensees may operate under these licenses provided they pay the royalty fees and comply with the terms set by the Copyright Royalty Judges. The rates and terms for the section 112 and 114 licenses are set forth in 37 CFR parts 380 and 382–48.

As part of the terms for these licenses, the Judges designated SoundExchange, Inc., as the Collective, i.e., the organization charged with collecting royalty payments and statements of account submitted by eligible licensees and with distributing royalties to the copyright owners and performers entitled to receive them under the section 112 and 114 licenses. See, e.g., 37 CFR 380.2(a). As the Collective, SoundExchange may, only once a year, conduct an audit of a licensee for any or all of the prior three calendar years in order to verify royalty payments. SoundExchange must first file with the Judges a notice of intent to audit a licensee and deliver the notice to the licensee. See, e.g., 37 CFR 380.6(c).

On December 20, 2018, SoundExchange filed with the Judges a notice of intent to audit licensee AccuRadio, LLC for its transmissions terminating in the United States for the years 2015, 2016, and 2017. The Judges must publish notice in the Federal Register within 30 days of receipt of a notice announcing the Collective’s intent to conduct an audit. See id. Today’s notice fulfills this requirement with respect to SoundExchange’s notice of intent to audit filed December 20, 2018.

Dated: January 10, 2019.

Suzanne M. Barnett,
Chief Copyright Royalty Judge.

SUPPLEMENTARY INFORMATION:

Title: Information on Meetings With Outside Parties Pursuant to Executive Order 12866.

Abstract: Executive Order 12866, “Regulatory Planning and Review,” issued by President Clinton on September 30, 1993, establishes and governs the process under which OIRA reviews agency draft and proposed final regulatory actions. Consistent with the disclosure provisions of Executive Order 12866, OIRA provides information about its work related to regulatory reviews on Reginfo.gov at https://www.whitehouse.gov/omb/oira. If the OIRA Administrator or his/her designee meets with outside parties during a review, the subject, date, and participants of the meeting are disclosed on the Reginfo.gov website, as well as any materials distributed at such meetings.

These meetings occur at the initiative and request of an outside party. Any member of the public may request a meeting about a regulatory action under OIRA review to present their views and may invite other outside parties to attend. OIRA invites representatives from the agency or agencies issuing the regulatory action. OIRA does not take minutes during the meeting but does, however, post on any written materials provided by outside parties during these meetings, including the initial meeting request.

To help ensure transparency associated with meetings pursuant to Executive Order 12866, OIRA is proposing to collect—and then post publicly—the following information from outside parties that request a meeting with OIRA to present their views on a regulatory action currently under review:

1. Names of all attendees who will be present at the meeting from the outside party or parties. Each attendee’s organization or affiliation. If an attendee is representing another organization, please provide the name of the
organization the attendee is representing.

2. The name of the regulatory action under review on which the party would like to present its views.

3. Electronic copies of all of briefing materials that will be used during the presentation.

4. An acknowledgment by the requesting party that all information submitted to OIRA pursuant to this collection and meeting request will be made publically available at Reginfo.gov.

Additionally the contact information (phone number and email) for the requesting organization will also be collected in order to confirm the meeting with them, but will not be posted. This revision includes allowing outside parties to provide the information to OIRA through an electronic online form.

This revision to the information collection will streamline the current process for outside parties when requesting a meeting and will ensure transparency and accuracy of the docket that OIRA keeps in accordance with the disclosure provisions of Executive Order 12866. OIRA welcomes any and all public comments on the proposed collection of information such as the accuracy of OIRA’s burden estimate, the practical utility of collecting this information, and whether there are additional pieces of information that could be collected from meeting requestors to further the disclosure provisions of Executive Order 12866.
