

note) (Inflation Adjustment Act) to require agencies to publish regulations adjusting the amount of civil monetary penalties provided by law within the jurisdiction of the agency not later than July 1, 2016, and annual adjustments thereafter.

For the 2019 annual adjustment for inflation of the maximum civil penalty under the Program Fraud Civil Remedies Act of 1986, the Board applies the formula provided by the 2015 Act and the Board's regulations at Title 20, Code of Federal Regulations, Part 356. In accordance with the 2015 Act, the amount of the adjustment is based on the percent increase between the Consumer Price Index (CPI-U) for the month of October preceding the date of the adjustment and the CPI-U for the October one year prior to the October immediately preceding the date of the adjustment. If there is no increase, there is no adjustment of civil penalties. The percent increase between the CPI-U for October 2018 and October 2017, as provided by Office of Management and Budget Memorandum M-19-04 (December 14, 2018) is 1.02522 percent. Therefore, the new maximum penalty under the Program Fraud Civil Remedies Act is \$11,463 (the 2018 maximum penalty of \$11,181 multiplied by 1.02522, rounded to the nearest dollar). The new minimum penalty under the False Claims Act is \$11,463 (the 2018 minimum penalty of \$11,181 multiplied by 1.02522, rounded to the nearest dollar), and the new maximum penalty is \$22,927 (the 2018 maximum penalty of \$22,363 multiplied by 1.02522, rounded to the nearest dollar). The adjustments in penalties will be effective February 1, 2019.

By Authority of the Board.

Sylvia Zaragoza,

Acting Secretary to the Board.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-84997; File No. 4-678]

Program for Allocation of Regulatory Responsibilities Pursuant to Rule 17d-2; Notice of Filing of Proposed Amended Plan for the Allocation of Regulatory Responsibilities Among the Financial Industry Regulatory Authority, Inc., Miami International Securities Exchange, LLC, MIAX PEARL, LLC, and MIAX EMERALD, LLC.

January 29, 2019.

Pursuant to Section 17(d) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 17d-2 thereunder,² notice is hereby given that on December 20, 2018, Miami International Securities Exchange, LLC ("MIAX"), MIAX PEARL, LLC ("MIAX PEARL"), MIAX EMERALD, LLC ("MIAX EMERALD") and the Financial Industry Regulatory Authority, Inc. ("FINRA") (together, the "Parties") filed with the Securities and Exchange Commission ("Commission" or "SEC") an amended plan for the allocation of regulatory responsibilities, dated December 19, 2018 ("17d-2 Plan" or the "Plan"). The Commission is publishing this notice to solicit comments on the 17d-2 Plan from interested persons.

I. Introduction

Section 19(g)(1) of the Act,³ among other things, requires every self-regulatory organization ("SRO") registered as either a national securities exchange or national securities association to examine for, and enforce compliance by, its members and persons associated with its members with the Act, the rules and regulations thereunder, and the SRO's own rules, unless the SRO is relieved of this responsibility pursuant to Section 17(d) or Section 19(g)(2) of the Act.⁴ Without this relief, the statutory obligation of each individual SRO could result in a pattern of multiple examinations of broker-dealers that maintain memberships in more than one SRO ("common members"). Such regulatory duplication would add unnecessary expenses for common members and their SROs.

Section 17(d)(1) of the Act⁵ was intended, in part, to eliminate unnecessary multiple examinations and

regulatory duplication.⁶ With respect to a common member, Section 17(d)(1) authorizes the Commission, by rule or order, to relieve an SRO of the responsibility to receive regulatory reports, to examine for and enforce compliance with applicable statutes, rules, and regulations, or to perform other specified regulatory functions.

To implement Section 17(d)(1), the Commission adopted two rules: Rule 17d-1 and Rule 17d-2 under the Act.⁷ Rule 17d-1 authorizes the Commission to name a single SRO as the designated examining authority ("DEA") to examine common members for compliance with the financial responsibility requirements imposed by the Act, or by Commission or SRO rules.⁸ When an SRO has been named as a common member's DEA, all other SROs to which the common member belongs are relieved of the responsibility to examine the firm for compliance with the applicable financial responsibility rules. On its face, Rule 17d-1 deals only with an SRO's obligations to enforce member compliance with financial responsibility requirements. Rule 17d-1 does not relieve an SRO from its obligation to examine a common member for compliance with its own rules and provisions of the federal securities laws governing matters other than financial responsibility, including sales practices and trading activities and practices.

To address regulatory duplication in these and other areas, the Commission adopted Rule 17d-2 under the Act.⁹ Rule 17d-2 permits SROs to propose joint plans for the allocation of regulatory responsibilities with respect to their common members. Under paragraph (c) of Rule 17d-2, the Commission may declare such a plan effective if, after providing for appropriate notice and comment, it determines that the plan is necessary or appropriate in the public interest and for the protection of investors; to foster cooperation and coordination among the SROs; to remove impediments to, and foster the development of, a national market system and a national clearance and settlement system; and is in conformity with the factors set forth in Section 17(d) of the Act. approval of a plan filed pursuant to Rule 17d-2 relieves an SRO of those regulatory responsibilities allocated by the plan to another SRO.

II. The Plan

On November 19, 2014, the Commission declared effective the Plan entered into between FINRA and MIAx for allocating regulatory responsibility pursuant to Rule 17d-2.¹⁰ The Plan is intended to reduce regulatory duplication for firms that are common members of both MIAx and FINRA. The plan reduces regulatory duplication for firms that are members of MIAx and FINRA by allocating regulatory responsibility with respect to certain applicable laws, rules, and regulations. Included in the Plan is an exhibit that lists every MIAx rule for which FINRA bears responsibility under the Plan for overseeing and enforcing with respect to MIAx members that are also members of FINRA and the associated persons therewith. On January 12, 2017, the parties submitted a proposed amendment to the Plan to add MIAx PEARL as a Participant to the Plan.¹¹ On June 28, 2018, the parties submitted a proposed amendment to the Plan to allocate surveillance, investigation, and enforcement responsibilities for Rule 14e-4 under the Act, as well as certain provisions of Regulation SHO.¹²

III. Proposed Amendment to Plan

On December 20, 2018, the parties submitted a proposed amendment to the Plan. The primary purpose of the amendment is to add MIAx EMERALD as a Participant to the Plan. The text of the proposed amended 17d-2 plan is as follows (additions are *italicized*; deletions are [bracketed]):

Agreement Among Financial Industry Regulatory Authority, Inc., Miami International Securities Exchange, LLC [AND], MIAx Pearl, LLC and MIAx Emerald, LLC, Pursuant To Rule 17d-2 Under The Securities Exchange Act of 1934

FINRA, MIAx [and], MIAx PEARL and MIAx Emerald may be referred to individually as a “party” and together as the “parties.”

This Agreement amends and restates the agreement entered into between FINRA, MIAx and MIAx PEARL on [January 11, 2017]June 27, 2018, entitled “Agreement between Financial Industry Regulatory Authority, Inc., Miami International Securities Exchange, LLC and MIAx PEARL, LLC Pursuant to Rule 17d-2 under the Securities Exchange Act of 1934,” and any subsequent amendments thereafter.

Whereas, the parties desire to reduce duplication in the examination of their Common Members (as defined herein) and in the filing and processing of certain registration and membership records; and

Whereas, the parties desire to execute an agreement covering such subjects pursuant to the provisions of Rule 17d-2 under the Exchange Act and to file such agreement with the Securities and Exchange Commission (the “SEC” or “Commission”) for its approval.

application of the provision or rule, or a Common Member’s activity, conduct, or output in relation to such provision or rule. Common Rules shall not include any provisions regarding (i) notice, reporting or any other filings made directly to or from MIAx [or], MIAx PEARL or MIAx Emerald, (ii) incorporation by reference of MIAx [or], MIAx PEARL Rules or MIAx Emerald Rules that are not Common Rules, (iii) exercise of discretion in a manner that differs from FINRA’s exercise of discretion including, but not limited to exercise of exemptive authority, by MIAx [or], MIAx PEARL or MIAx Emerald, (iv) prior written approval of MIAx [or], MIAx PEARL or MIAx Emerald and (v) payment of fees or fines to MIAx [or], MIAx PEARL or MIAx Emerald.

FINRA shall provide MIAX [and], MIAX PEARL and *MIAX Emerald* with ninety (90) days advance written notice in the event FINRA decides to impose any charges to MIAX [and], MIAX PEARL and *MIAX Emerald* for performing the Regulatory Responsibilities under this Agreement. If FINRA determines to impose a charge, MIAX [and], MIAX PEARL and *MIAX Emerald* shall have the right at the time of the imposition of such charge to terminate this Agreement; provided, however, that FINRA's Regulatory Responsibilities under this Agreement shall continue until the Commission approves the termination of this Agreement.

5. Applicability of Certain Laws, Rules, Regulations or Orders.

Notwithstanding any provision hereof, this Agreement shall be subject to any statute, or any rule or order of the SEC. In particular, and not in limitation of the foregoing, FINRA shall furnish MIAX [and], MIAX PEARL and *MIAX Emerald* any information it obtains about Common Members which reflects adversely on their financial condition. MIAX [and], MIAX PEARL and *MIAX Emerald* shall make available to FINRA any information coming to its attention that reflects adversely on the financial condition of Common Members or indicates possible violations of applicable laws, rules or regulations by such firms.

12. **Termination.** This Agreement may be terminated by any party at any time upon the approval of the Commission after one (1) year's written notice to the other parties (or such shorter time as agreed by the parties), except as provided in paragraph 4.

Extension:
Rule 2a-7

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Rule 2a-7 (17 CFR 270.2a-7) under the Investment Company Act of 1940 (15 U.S.C. 80a) (the "Act") governs money market funds. Money market funds are open-end management investment companies that differ from other open-end management investment companies in that they seek to maintain a stable price per share, usually \$1.00. The rule exempts money market funds from the valuation requirements of the Act, and, subject to certain risk-limiting conditions, permits money market funds to use the "amortized cost method" of asset valuation or the "penny-rounding method" of share pricing.

Rule 2a-7 also imposes certain recordkeeping and reporting obligations on money market funds. The board of directors of a money market fund, in supervising the fund's operations, must establish written procedures designed to stabilize the fund's net asset value ("NAV"); establish written procedures to test periodically the ability of the fund to maintain a stable NAV based on certain hypothetical events ("stress testing"); review, revise, and approve written procedures to stress test a fund's portfolio; and create a report to the fund board documenting the results of stress testing. The board must also adopt guidelines and procedures relating to certain responsibilities it delegates to the fund's investment adviser. These procedures and guidelines typically address various aspects of the fund's operations. The fund must maintain and preserve for six years a written copy of both these procedures and guidelines. The fund also must maintain and preserve for six years a written record of the board's considerations and actions taken in connection with the discharge of its responsibilities, to be included in the board's minutes, including determinations to impose any liquidity fees or temporary suspension of redemptions. In addition, the fund must maintain and preserve for three years written records of certain credit risk analyses, evaluations with respect to securities subject to demand features or guarantees, evaluations with respect to asset-backed securities not subject to guarantees, and determinations with respect to adjustable rate securities and asset-backed securities. If the board takes action with respect to defaulted securities, events of insolvency, or deviations in share price, the fund must file with the Commission an exhibit to Form N-CR describing the nature and circumstances of the action. If any portfolio security fails to meet certain eligibility standards under the rule, the fund also must identify those securities in an exhibit to Form N-CR. After certain events of default or insolvency relating to a portfolio security, the fund must notify the Commission of the event and the actions the fund intends to take in response to the situation.

A fund must also post certain periodic information on its website including disclosure of portfolio holdings, disclosure of daily and weekly liquid assets and net shareholder flow, disclosure of daily current NAV, and disclosures of financial support received by the fund, the imposition and removal of liquidity fees, and the suspension and resumption of fund redemptions. Lastly, for funds that elect to be retail funds,

they must create written policies and procedures reasonably designed to limit all beneficial owners of the fund to natural persons.

The recordkeeping requirements in rule 2a-7 are designed to enable Commission staff in its examinations of money market funds to determine compliance with the rule, as well as to ensure that money market funds have established procedures for collecting the information necessary to make adequate credit reviews of securities in their portfolios. The reporting requirements of rule 2a-7 are intended to assist Commission staff in overseeing money market funds and reduce the likelihood that a fund is unable to maintain a stable NAV.

Commission staff estimates that there are 433 money market funds (91 fund complexes), all of which are subject to rule 2a-7. Commission staff further estimates that there will be approximately 10 new money market funds established each year. Commission staff estimates that rule 2a-7 contains the following collection of information requirements:

- Record of credit risk analyses, and determinations regarding adjustable rate securities, asset-backed securities, asset-backed securities not subject to guarantees, securities subject to a demand feature or guarantee, and counterparties to repurchase agreements. Commission staff estimates a total annual hour burden for 433 funds to be 294,440 hours.
- Establishment of written procedures designed to stabilize NAV and guidelines and procedures for board delegation of authority. Commission staff estimates a total annual hour burden for 10 new money market funds to be 155 hours.
- Board review of procedures and guidelines of any investment adviser or officers to whom the fund's board has delegated responsibility under rule 2a-7 and amendment of such procedures and guidelines. Commission staff estimates a total annual hour burden for 108 funds to be 540 hours.
- Records of the board's determination for imposing any liquidity fees or temporary suspension of redemptions. Commission staff estimates a total annual hour burden for 2 funds to be 14 hours.
- Establishment of written procedures to test periodically the ability of the fund to maintain a stable NAV per share based on certain hypothetical events ("stress testing"). Commission staff estimates a total annual hour burden for 10 new money market funds to be 220 hours.
