

Date Granted: August 30, 2018.

Reason Waived: The HA requested relief from compliance for an additional 91-days to submit its financial reporting requirements for the fiscal year end (FYE) of June 30, 2017. The HA is still recovering from damages resulting from Hurricane Irma and is in Category C of the applicable Major Disaster Declaration for Hurricane Maria. The circumstances preventing the HA from submitting its FYE 2017 audited financial data by the due date was acceptable. Accordingly, the HA has until October 31, 2018, to submit its audited financial information to the Department. The approval of the Financial Assessment Subsystem (FASS) audited financial submission only permits the extension for filing. The HA is required to contact the HUDOIG Single Audit Coordinator at HUDOIGSingleAuditCoordinator@hudoig.gov for Single Audit extensions applicable to the Federal Audit Clearinghouse.

Contact: Dee Ann R. Walker, Program Manager, NASS, Real Estate Assessment Center, Office of Public and Indian Housing, Department of Housing and Urban Development, 550 12th Street SW, Suite 100, Washington, DC 20410, telephone (202) 475-7908.

- *Regulation:* 24 CFR 960.206(b)(3).

Project/Activity: Alexandria Redevelopment and Housing Authority (ARHA), Virginia.

Nature of Requirement: This requirement provides that a PHA may not adopt a preference for admission of persons with a specific disability.

Granted By: General Deputy Assistant Secretary for Public and Indian Housing.

Date Granted: August 27, 2018.

Reason Waived: Based upon the information provided, the Department determined that good cause existed to allow ARHA to implement a tenant selection preference for persons with specific disabilities under the public housing program to assist the State of Virginia with complying with the requirements set forth in the State of Virginia's Olmstead Settlement Agreement.

Contact: Monica Shepherd, Public Housing Management and Occupancy Division, Office of Public Housing and Voucher Programs, Office of Public and Indian Housing, Department of Housing and Urban Development, 451 Seventh Street SW, Room 4208, Washington, DC 20410, telephone (202) 402-5687 or at Monica.C.Shepherd@hud.gov.

- *Regulation:* 24 CFR 960.206(b)(3).

Project/Activity: Rockford Housing Authority, Illinois.

Nature of Requirement: This requirement provides that a PHA may not adopt a preference for admission of persons with a specific disability.

Granted By: General Deputy Assistant Secretary for Public and Indian Housing.

Date Granted: September 21, 2018.

Reason Waived: Based upon the information provided, the Department determined that good cause existed to extend the previously approved waiver to establish a limited tenant selection preference for persons with specific disabilities in its public housing and HCV programs in order to assist the State of Illinois with complying with the requirements set forth in the State of Illinois' Olmstead Coordinated Remedial Plan (the Plan). The Plan is pursuant to an agreement with the Department of Justice stemming from the *Olmstead v. L.C.* litigation under

Title II of the Americans with Disabilities Act (ADA) and three Olmstead-related Consent Decrees.

INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701-TA-591 and 731-TA-1399 (Final)]

Common Alloy Aluminum Sheet From China; Determinations

On the basis of the record¹ developed in the subject investigations, the United States International Trade Commission (“Commission”) determines, pursuant to the Tariff Act of 1930 (“the Act”), that an industry in the United States is materially injured by reason of imports of common alloy aluminum sheet from

¹ The record is defined in sec. 207.2(f) of the Commission’s Rules of Practice and Procedure (19 CFR 207.2(f)).

China, provided for in subheadings 7606.11.30, 7606.11.60, 7606.12.30, 7606.12.60, 7606.91.30, 7606.91.60, 7606.92.30, and 7606.92.60 of the Harmonized Tariff Schedule of the United States, that have been found by the U.S. Department of Commerce (“Commerce”) to be sold in the United States at less than fair value (“LTFV”), and to be subsidized by the government of China.²

Background

The Commission, pursuant to sections 705(b) and 735(b) of the Act (19 U.S.C. 1671d(b) and 19 U.S.C. 1673d(b)), instituted these investigations in

² The Commission also finds that imports subject to Commerce’s affirmative critical circumstances determinations are not likely to undermine seriously the remedial effect of the countervailing and antidumping duty orders on common alloy aluminum sheet from China.

response to a notification of investigations self-initiated by the U.S. Department of Commerce deemed by the Commission as having been filed on December 1, 2017. The final phase of the investigations was scheduled by the Commission following notification of preliminary determinations by Commerce that imports of common alloy aluminum sheet from China were subsidized within the meaning of section 703(b) of the Act (19 U.S.C. 1671b(b)) and sold at LTFV within the meaning of 733(b) of the Act (19 U.S.C. 1673b(b)). Notice of the scheduling of the final phase of the Commission’s investigations and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** on July
