38,000 illegal aliens in the San Diego Sector. In that same year Border Patrol seized approximately 8,700 pounds of marijuana and approximately 1,800 pounds of cocaine in the San Diego Sector.

In order to satisfy the need for additional border infrastructure in the San Diego Sector, DHS will take action to construct barriers and roads. Specifically, construction of secondary barriers and roads will occur within an approximately fourteen mile segment of the border within the San Diego Sector that starts at approximately the Pacific Ocean and extends eastward. The segment of the border within which such construction will occur is referred to herein as the “project area” and is more specifically described in Section 2 below.
