AFFAIRS

Veteran’s Benefits Administration (VBA), Department of Veterans Affairs (VA), is announcing an integrated program of benefits and services established by law for Veterans, their dependents, and/or beneficiaries. VA Form 21P–0537 Marital Status Questionnaire is used to confirm the marital status of a surviving spouse in receipt of Dependency and Indemnity Compensation (DIC) benefits. If a surviving spouse remarries, he or she is no longer entitled to DIC unless the marriage began after age 57 or has been terminated. Information is requested by this form under the authority of 38 U.S.C. 101(3) and 38 U.S.C. 103.

VA Form 21P–0537 is used by VBA to verify a surviving spouse’s current marital status to determine his or her continued entitlement to DIC benefits. The form letter is automatically generated and mailed to DIC beneficiaries. Agency action depends on the information provided by the beneficiary. If the information provided supports the beneficiary’s continued entitlement to benefits, no action is taken. If the information provided by the beneficiary does not support continued entitlement to benefits, VA will act to terminate benefit payments, based on the facts found.
