Copies of available documents submitted to OMB may be obtained from Ms. Pollard.

SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

The Federal Register notice that solicited public comment on the information collection for a period of 60 days was published on September 27, 2018 at 83 FR 48861.

A. Overview of Information Collection

Title of Information Collection: Contractor’s Requisition-Project Mortgages.

OMB Approved Number: 2502–0028.

Type of Request: Reinstatement, with change.

Form Number: HUD–92448.

Description of the need for the information and proposed use: Form HUD–92448 is used by Contractors to request insured mortgage proceeds for construction costs. The information regarding completed work items is used by the Multifamily Hub Centers to ensure that payments from mortgage proceeds are made for work completed in a satisfactory manner. The work must be inspected and approved by a HUD Field Office inspector and an architect not employed by HUD. To ensure compliance with prevailing wage rates, the Field Office uses the certification on form HUD–92448 regarding prevailing wages. If the collection of information was not conducted, disbursement of mortgage proceeds and compliance with prevailing wage rates could not be monitored. 29 CFR part 3.3 requires the contractor to submit an executed document certifying adherence to requirements of the Davis Bacon and Related Acts (DBRA) and the Copeland “Anti-Kickback” Act regarding wages paid to employees. The form is completed by the contractor and approved by the project architect and a HUD Field Office inspector and must be signed. The contractor submits the completed form to HUD for review and determination of acceptability/unacceptability. Section 207(b) of the National Housing Act (Pub. L. 479, 48 Stat. 1246, 12 U.S.C. 1701 et seq.) authorizes the Secretary of the Department of Housing and Urban Development (HUD) to insure mortgages (including advances on such mortgages during construction) for construction of rental housing projects. Section 212 of the National Housing Act prevents the Secretary of HUD from insuring a project unless the principal contractor files a prevailing wage certificate. The requirements are set forth in 24 CFR 200.33, Labor Standards, for the insurance of advances and certification of compliance with labor standards and prevailing wage requirements.

Respondents: Business or other for profit.

Estimated Number of Respondents: 213.

Estimated Number of Responses: 2,556.

Frequency of Response: 12.

Average Hours per Response: 6.

Total Estimated Burdens: 15,336.

B. Solicitation of Public Comment

This notice is soliciting comments from members of the public and affected parties concerning the collection of information described in Section A on the following:

(1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) The accuracy of the agency’s estimate of the burden of the proposed collection of information;

(3) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) Ways to minimize the burden of the collection of information on those who are to respond: Including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

HUD encourages interested parties to submit comment in response to these questions.

C. Authority
