Overview of This Information Collection

Title: Canadian Border Boat Landing Permit.

OMB Number: 1651-0108.

Form Number: CBP Form I-68.

Current Actions: This submission is being made to extend the expiration date with a decrease to the burden hours. There is no change to the information collected.

Type of Review: Extension (With Change).

Affected Public: Individuals or Households.

Abstract: The Canadian Border Boat Landing Permit, U.S. Customs and Border Protection (CBP) Form I-68, generally allows select individuals entering the United States along the

northern border by small¹ pleasure boats to report their arrival and make entry without having to travel to a designated port of entry for an inspection by a CBP officer. United States citizens, Lawful Permanent Residents of the United States, Canadian citizens, and Landed Residents of Canada who are nationals of the Visa Waiver Program countries listed in 8 CFR 217.2(a) are eligible to apply for the permit.

The information collected on CBP Form I-68 allows eligible individuals who enter the United States from Canada by small pleasure boats to be inspected only once during the boating season, rather than each time they make an entry. This information collection is provided for by 8 CFR 235.1(g) and Section 235 of Immigration and Nationality Act. CBP Form I-68 is accessible at <http://www.cbp.gov/newsroom/publications/forms?title=68&=Apply>.

CBP has developed a smart phone application known as Reporting Offsite Arrival—Mobile (ROAM) that will generally allow travelers to electronically complete their I-68 application, report their arrival in the United States, and make U.S. entry using automated document (passport) reading, global positioning system (GPS) location, and video chat. CBP believes providing the traveling public with the option to use this smart phone app will increase traveler compliance with U.S. arrival and entry requirements. Additionally, the ROAM app will allow CBP officers to remotely conduct traveler interviews with a phone's video chat capability, and replace other technologies used for remote inspections that are obsolete or inefficient.

I. Public Law 112-55 Waivers and Alternative Requirements

New LMI National Objective Criteria for Buyouts and Housing Incentives (New York State only)

New York State was awarded \$71,654,166 of CDBG-DR funds under Public Law 112-55 for recovery from Hurricane Irene and Tropical Storm Lee (77 FR 22583) and \$4,416,882,000 of CDBG-DR funds under Public Law 113-2 for recovery from Hurricane Sandy. This section of the notice specifies waivers and alternative requirements and modifies requirements for CDBG-DR funds awarded to New York State under Public Law 112-55 to allow the State to better coordinate recovery efforts across multiple CDBG-DR allocations.

Public Law 112-55 authorizes the Secretary to waive or specify alternative requirements for any provision of any statute or regulation that the Secretary administers in connection with HUD's obligation or use by the recipient of these funds (except for requirements related to fair housing, nondiscrimination, labor standards, and the environment). Regulatory waiver authority is also provided by 24 CFR 5.110, 91.600, and 570.5. As required by Public Law 112-55, waivers and alternative requirements provided in this paragraph are in response to a request by New York State explaining why the waiver is required to facilitate the use of the funds and based upon a determination by the Secretary that good cause exists and that the waiver or alternative requirement is not inconsistent with the overall purposes of title I of the Housing and Community Development Act of 1974, as amended (HCDA).

The Department's April 16, 2012 notice authorized New York State to carry out "buyouts," which for purposes of grants under Public Law 112-55, are a type of acquisition activity limited to acquisition of properties located in a
