

Final Results.¹³ This notice is published in fulfillment of the *Timken* publication requirements.

Amended Final Results

Because there is now a final court decision, we are amending the *Final Results* with respect to the dumping margins calculated for Xinboda. Based on the *Second Remand Results*, as affirmed by the CIT, the revised dumping margin for Xinboda, for the period of review of November 1, 2008, through October 31, 2009, is \$0.00 per kilogram.

Accordingly, Commerce will continue the suspension of liquidation of the subject merchandise pending the expiration of the period of appeal or, if appealed, pending a final and conclusive court decision. In the event the CIT's ruling is not appealed or, if appealed, upheld on appeal, Commerce will instruct U.S. Customs and Border Protection to liquidate the unliquidated entries of subject merchandise based on the revised dumping margin above.

Cash Deposit Requirements

Commerce will not update the cash deposit requirements for Xinboda as it has later-determined rates from subsequent administrative reviews.
