

Amended Final Results

Because there is now a final court decision, Commerce is amending the *Final Results* with respect to the mandatory respondents, and the separate rate respondents who are parties to this litigation. The revised weighted-average dumping margins for these exporters during the period September 1, 2013, through August 31, 2014, are as follows:

| Exporter | Weighted-average dumping margin (percent) |
|--|---|
| Xuzhou Xugong Tyres Co., Ltd., Armour Rubber Company Ltd., or Xuzhou Hanbang Tyre Co., Ltd | 23.45 |
| Qingdao Qihang Tyre Co., Ltd | 13.93 |
| Qingdao Free Trade Zone Full-World International Trading Co., Ltd | 20.03 |
| Trelleborg Wheel Systems (Xingtai) China, Co. Ltd | 20.03 |
| Weihai Zhongwei Rubber Co., Ltd | 20.03 |

Accordingly, Commerce will continue the suspension of liquidation of the subject merchandise pending the end of the period of appeal or, if appealed, pending a final and conclusive court decision. In the event the Court's ruling is not appealed or, if appealed, and upheld by the CAFC, Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on unliquidated entries of subject merchandise exported by the companies identified above using the assessment rate calculated by Commerce in the *Qihang Tyre* remand results, as listed in the above table.

Cash Deposit Requirements

Unless the applicable cash deposit rates have been superseded by cash deposit rates calculated in an intervening administrative review of the antidumping duty order on OTR tires from China, Commerce will instruct CBP to require a cash deposit for estimated antidumping duties at the rate noted above for each specified exporter, for entries of subject merchandise, entered or withdrawn from warehouse, for consumption, on or after December 31, 2018.

Notification to Interested Parties

Commerce has issued and published this notice in accordance with sections 516A(e), 751(a)(1), and 777(i)(1) of the Act.

Dated: February 13, 2019.
