

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties has occurred and that subsequent assessment of doubled antidumping duties.

Administrative Protective Orders

This notice also serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing these final results of administrative review in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(h).

Dated: February 12, 2019.

Partial Rescission of the 2017-2018 Administrative Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of the notice of initiation of the requested review. All of the aforementioned withdrawal requests were timely submitted and no other interested party requested an administrative review of these particular companies. Therefore, in accordance with 19 CFR 351.213(d)(1), and consistent with our practice,⁵ we are rescinding this review of the antidumping duty order on certain pasta from Italy, in part, with respect to Tamma and La Molisana.

The instant review will continue with respect to the following companies: Agritalia, Ghigi/Zara,⁶ Indalco, and Tesa.

Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. For the companies for which this review is rescinded, Tamma and La Molisana, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period July 1, 2017, through June 30, 2018, in accordance with 19 CFR 351.212(c)(1)(i).

Commerce intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice.
