ACTION: Notice of proposed rulemaking; correction.

SUMMARY: This document corrects the end of the comment period for a notice of proposed rulemaking (NPR) published in the **Federal Register** of February 14, 2019, that would modify company-run stress testing requirements to conform to section 401 of the Economic Growth, Regulatory Relief, and Consumer Protection Act (EGRRCPA).

DATES: The comment period for the NPR published on February 14, 2019, at 84 FR 4002, is corrected. Comments must be received by March 21, 2019.

FOR FURTHER INFORMATION CONTACT: Benjamin W. SUPPLEMENTARY INFORMATION: The Board published in the **Federal Register** of February 14, 2019, a notice of proposed rulemaking that would modify company-run stress testing requirements to conform to section 401 of EGRRCPA. extends the comment period to end on March 21, 2019.

[Docket No. FAA-2019-0039; Airspace Docket No. 19-AGL-4]

RIN 2120-AA66

Proposed Amendment of Class E Airspace; Connersville and Richmond, IN

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of proposed rulemaking (NPRM).

SUMMARY: This action proposes to amend Class E airspace extending upward from 700 feet above the surface at Mettel Field Airport, Connersville, IN, and Richmond Municipal Airport, Richmond, IN. The FAA is proposing this action as the result of an airspace review caused by the decommissioning of the Richmond VHF omnidirectional range (VOR) navigation aid, which provided navigation information for the instrument procedures at this airport, as part of the VOR Minimum Operational Network (MON) Program. The geographic coordinates of the airports would also be updated to coincide with

the FAA's aeronautic database. Airspace redesign is necessary for the safety and management of instrument flight rules (IFR) operations at these airports.

DATES: Comments must be received on or before April 8, 2019.

ADDRESSES: Send comments on this proposal to the U.S. Department of Transportation, Docket Operations, West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue SE, Washington, DC 20590; telephone (202) 366-9826, or (800) 647-5527.
