BILLING CODE 4165-15-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Health Resources and Services Administration

Agency Information Collection Activities: Submission to OMB for Review and Approval; Public Comment Request; MCH Jurisdictional Survey Instrument for the Title V MCH Block Grant Program, OMB No. 0906-xxxx-NEW

AGENCY: Health Resources and Services Administration (HRSA), Department of Health and Human Services.

ACTION: Notice.

SUMMARY: In compliance with of the Paperwork Reduction Act of 1995, HRSA has submitted an Information Collection Request (ICR) to the Office of Management and Budget (OMB) for review and approval. A 60-day **Federal Register** Notice related to this proposed ICR was published in the **Federal Register** on November 16, 2018. No comments were received. OMB will accept comments from the public during the 30-day review and approval period.

DATES: Comments on this ICR should be received no later than March 25, 2019.

ADDRESSES: Submit your comments, including the ICR Title, to the desk officer for HRSA, either by email to OIRA_submission@omb.eop.gov or by fax to (202) 395-5806.

FOR FURTHER INFORMATION CONTACT: To request a copy of the clearance requests submitted to OMB for review, email Lisa

Wright-Solomon, the HRSA Information Collection Clearance Officer at paperwork@hrsa.gov or call (301) 443-1984.

SUPPLEMENTARY INFORMATION:

Information Collection Request Title: Maternal and Child Health (MCH) Jurisdictional Survey Instrument for the Title V MCH Block Grant Program, OMB No. 0906-xxxx-NEW.

Abstract: The purpose of the Title V MCH Block Grant is to improve the health of the nation’s mothers, infants, children, including children with special health care needs, and their families by creating federal/state partnerships that provide each state/ jurisdiction with needed flexibility to respond to its individual MCH population needs. Unique to the MCH Block Grant is a commitment to performance accountability, while assuring state flexibility. Utilizing a 3-tiered national performance measure framework, which includes National Outcome Measures (NOMs), National Performance Measures (NPMs), and Evidence-Based and Evidence-Informed Strategy Measures, State Title V programs report annually on their performance relative to the selected national performance and outcome measures. Such reporting enables the state and federal program offices to assess the progress achieved in key MCH priority areas and to document Title V program accomplishments.

By legislation (Section 505(a) of Title V of the Social Security Act), the MCH Block Grant Application/Annual Report must be developed by, or in consultation with, the State MCH Health agency. In establishing state reporting requirements, HRSA’s Maternal and Child Health Bureau (MCHB) considers the availability of national data from other federal agencies. Data for the national performance and outcome measures are pre-populated for states in the Title V Information System. National data sources identified for the NPMs and NOMs in the MCH Block Grant program seldom include data from the Title V jurisdictions, with the

exception of the District of Columbia. The eight remaining jurisdictions (American Samoa, Federated States of Micronesia, Guam, Marshall Islands, Northern Mariana Islands, Palau, Puerto Rico, and U.S. Virgin Islands) have limited access to significant data and MCH indicators, with limited capacity for collecting these data.

Sponsored by HRSA’s MCHB, the MCH Jurisdictional Survey is designed to produce data on the physical and emotional health of mothers and children under 18 years of age in the following eight jurisdictions—American Samoa, Federated States of Micronesia, Guam, Marshall Islands, Northern Mariana Islands, Palau, Puerto Rico, and Virgin Islands. More specifically, the MCH Jurisdictional Survey collects information on factors related to the well-being of children, including health status, visits to health care providers, health care costs, and health insurance coverage. In addition, the MCH Jurisdictional Survey collects information on factors related to the well-being of mothers, including health risk behaviors, health conditions, and preventive health practices. This data collection will enable the jurisdictions to meet federal performance reporting requirements and to demonstrate the impact of Title V funding relative to MCH outcomes for the U.S. jurisdictions in reporting on their unique MCH priority needs.

The MCH Jurisdictional Survey was designed based on information-gathering activities with Title V leadership and program staff in the jurisdictions, experts at the Centers for Disease Control and Prevention, and other organizations with relevant data collection experience. Survey items are based on the National Survey of Children’s Health, the Behavioral Risk Factor Surveillance System, the Youth Behavior Surveillance System, and selected other federal studies. The Survey is designed as a core questionnaire to be administered across all jurisdictions with a supplemental set of survey questions customized to the needs of each jurisdiction.

Need and Proposed Use of the Information: Data from the MCH Jurisdictional Survey will be used to measure progress on national performance and outcome measures under the Title V MCH Block Grant Program. This survey instrument is critical to collecting information on factors related to the well-being of all mothers, children, and their families in the jurisdictional Title V programs, and which address their unique MCH needs.

Likely Respondents: The respondent universe is women age 18 or older who live in one of the eight targeted U.S. jurisdictions (Puerto Rico, U.S. Virgin Islands, Guam, Northern Mariana Islands, American Samoa, Palau, Marshall Islands, or Federated States of Micronesia) and who are mothers or guardians of at least one child aged 0-17 years living in the same household.

Burden Statement: Burden in this context means the time expended by persons to generate, maintain, retain, disclose or provide the information requested. This includes the time needed to review instructions; to develop, acquire, install, and utilize technology and systems for the purpose of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; to train personnel and to be able to respond to a collection of information; to search data sources; to complete and review the collection of information; and to transmit or otherwise disclose the information. The total annual burden hours estimated for this ICR are summarized in the table below.

Total Estimated Annualized Burden—Hours.

The number of respondents in the table below has decreased slightly for Puerto Rico, U.S. Virgin Islands, and Guam from the numbers included in the 60-day FRN. This decrease is due to a change in the data collection methodology from phone to in-person in these jurisdictions based on the results of the pre-test.

Form name	Number of respondents	Number of responses per respondent	Average burden per response (in hours)	Burden hours per form	Total burden hours
Adult Parents—Puerto Rico:					
Screeners	810	1	0.03	24.30	204.30
Core	200	1	0.83	166.00	
Jurisdiction Module	200	1	0.07	14.00	
Adult Parents—U.S. Virgin Islands:

BILLING CODE 4165-15-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Health Resources and Service Administration

Meeting of the Advisory Committee on Interdisciplinary, Community-Based Linkages

AGENCY: Health Resources and Service Administration (HRSA), Department of Health and Human Services (HHS).

ACTION: Notice.

SUMMARY: In accordance with the Federal Advisory Committee Act, this notice announces that the Advisory Committee on Interdisciplinary, Community-Based Linkages (ACICBL) has scheduled public meetings for the 2019 calendar year. Information about the ACICBL, agendas, and materials for these meetings can be found on the ACICBL website at <https://www.hrsa.gov/advisory-committees/interdisciplinary-community-linkages/index.html>.

DATES: May 16, 2019, 8:30 a.m.–5:00 p.m. Eastern Time (ET) and May 17, 2019, 8:30 a.m.–2:00 p.m. ET; and August 14, 2019, 11:00 a.m.–4:00 p.m. ET.

ADDRESSES: The May 16 and May 17, 2019, in-person ACICBL two-day meeting will be held at 5600 Fishers Lane, Rockville, Maryland 20857, and the August 14, 2019, meeting will be held through Adobe Connect webinar. Instructions for joining the meetings either in person or remotely will be posted on the ACICBL website 30 business days before the date of the meeting. For meeting information updates, go to the ACICBL website meeting page at <https://www.hrsa.gov/advisory-committees/interdisciplinary-community-linkages/meetings/index.html>.

FOR FURTHER INFORMATION CONTACT: Joan Weiss, Ph.D., RN, CRNP, FAAN, Senior Advisor and Designated Federal Official (DFO), Division of Medicine and Dentistry, HRSA, 5600 Fishers Lane, Rockville, Maryland 20857; 301-443-0430; or BHWACICBL@hrsa.gov.

SUPPLEMENTARY INFORMATION: ACICBL provides advice and recommendations to the Secretary of HHS on policy, program development, and other matters of significance concerning activities under sections 750–760, Title VII, Part D of the Public Health Service (PHS) Act.

During the May 2019 and August 2019 meetings, ACICBL members will discuss the overarching topic of population health within the following contexts:

- Inclusion of population health at the nexus of primary health care delivery and public health;

- Use of population health as a method of identifying place based risks, root causes, and possible interventions to address the structural and social determinants of health; and

- Preparation of clinicians to serve as change agents promoting primary prevention by developing the knowledge and skills to address the health needs of populations as measured by a variety of health status indicators.

Agenda items are subject to change as priorities dictate. Refer to the ACICBL website for any updated information concerning the meetings. An agenda will be posted on the website at least 10 business days before the meetings. Members of the public will have the opportunity to provide comments. Public participants may submit written statements in advance of the scheduled meetings. Oral comments will be honored in the order they are requested and may be limited as time allows. Requests to submit a written statement or make oral comments to the ACICBL should be sent to Joan Weiss, DFO, using the contact information above at least five business days before the meeting dates.

Individuals who need special assistance or another reasonable accommodation should notify Dr. Weiss at the address and phone number listed above at least 10 business days before the meetings they wish to attend. Since all in-person meeting will occur in a federal government building, attendees
