Overview of This Information Collection

(1) *Type of Information Collection:* New collection.

(2) *The Title of the Form/Collection:* Survey of Law Enforcement Personnel in Schools (SLEPS).

(3) *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* The form number for the agency survey is SLEPS–1; the form number for the officer survey is SLEPS–2. The applicable component within the Department of Justice is the Bureau of Justice Statistics, in the Office of Justice Programs.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Respondents will be law enforcement agencies (LEAs), including school-based police; municipal, county, and regional police; sheriff's offices; and school resource officers (SROs) employed by these LEAs.

SLEPS will examine law enforcement involvement in ensuring safety in schools by conducting both an agency-level and an officer-level survey. The agency-level survey asks about departmental policies and agreements with schools; funding sources and the number/type of schools served; and SRO recruitment, training, and supervision. The officer-level survey asks SROs about their experience as a law enforcement officer, training, activities in schools, and characteristics of their primary assignment. SLEPS will provide key national statistics to fill the knowledge gap surrounding law enforcement in schools and further the school safety agenda.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* An agency-level survey will be sent to approximately 1,982 LEA respondents. The expected burden placed on these respondents is about 30 minutes per respondent. These respondents will also receive an officer roster form which has an expected burden of about 10 minutes per respondent. It is expected that approximately 1,367 agencies will complete the roster form. A point of contact (POC) at these 1,367 agencies will be asked to distribute an officer-level survey to approximately 4,137 school resource officers. The expected burden is about 20 minutes per POC to distribute survey materials and about 30 minutes per officer to complete the survey.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The total respondent burden is approximately 3,743 burden hours.
