

the Towns of Blenheim and Gilboa in Schoharie County, New York, and has prepared a final Environmental Assessment (EA) for the project.

The final EA contains Commission staff's analysis of the potential environmental effects of the project, and concludes that relicensing the project, with appropriate environmental protective measures, would not constitute a major federal action that would significantly affect the quality of the human environment.

A copy of the final EA is available for review at the Commission in the Public Reference Room, or may be viewed on the Commission's website at <http://www.ferc.gov>, using the eLibrary link.
