Waiver and Alternative Requirement for Community Development Block Grant Disaster Recovery (CDBG-DR) Grantees

AGENCY: Office of the Secretary, HUD.

ACTION: Notice.

SUMMARY: On January 9, 2019, HUD published a **Federal Register** notice waiving and establishing an alternative requirement for the timing of review of Community Development Block Grant Disaster Recovery (CDBG-DR) Action

Plans for Disaster Recovery and Action Plan amendments that were pending approval as of December 22, 2018. HUD took this action due to the lapse in its appropriations for Fiscal Year (FY) 2019 and the resultant inability to satisfactorily complete the review and approval process consistent with HUD's customary timeline. The January 9, 2019 notice stated that HUD would announce a revised time period for completion of the review of pending Action Plans and amendments following enactment of funding for the Department's normal operations. Through this notice, HUD announces the revised review deadline.

DATES: *Applicability Date:* February 28, 2019.

SUPPLEMENTARY INFORMATION:

I. Background

Public Law 115-123¹ appropriated \$28 billion of CDBG-DR funding for two purposes: (1) To address unmet needs arising from certain major declared disasters that occurred in 2017;² and (2) to fund mitigation activities for all CDBG-DR grantees that received CDBG-DR funding in response to unmet needs arising from major disasters declared in 2015, 2016, and 2017. These funds were in addition to \$7.4 billion appropriated by Public Law 115-56³ for unmet needs arising from major declared disasters in 2017. HUD allocated virtually all funding for unmet needs and established administrative requirements via two **Federal Register** notices

¹ See Further Additional Supplemental Appropriations for Disaster Relief Requirements Act, 2018, title XI, subdivision I, division B, of Public Law 115-123.

² Of the amounts for unmet needs, \$2 billion in CDBG-DR is more specifically for the purpose of enhancing or improving electrical power systems in jurisdictions affected by Hurricane Maria in 2017. A **Federal Register** notice for such amounts will be published in the future.

³ See Supplemental Appropriations for Disaster Relief Requirements, 2017, division B of Public Law 115-56.

published on February 9, 2018,⁴ and August 14, 2018.⁵

In general, the funds for unmet needs are to be used for activities authorized under title I of the Housing and Community Development Act of 1974⁶ (HCD Act) related to disaster relief, long-term recovery, restoration of infrastructure and housing, and economic revitalization in the "most impacted and distressed" areas resulting from the qualifying major disaster. By providing the supplemental disaster recovery funding under title I of the HCD Act, Congress implicates the general statutory and regulatory requirements of the Community Development Block Grant (CDBG) program.

Public Laws 115-123 and 115-56 require that, prior to the obligation of funds, grantees must submit for approval a plan to the Secretary that details the proposed use of funds. The February 9, 2018, and August 14, 2018, **Federal Register** notices and 24 CFR 91.500(a) provide that HUD must review these plans within 45 days from the date of receipt. HUD may use its regulatory waiver authority at 24 CFR 5.110 to extend this review period to 60 days from the date of receipt, consistent with HUD's implementation of section 105(c)(1) of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 12705(c)(1)), which governs action plan submissions under HUD's consolidated planning regulations at 24 CFR part 91.

Public Laws 115-123 and 115-56 also authorize the Secretary of HUD to waive or specify alternative requirements for any statutory or regulatory provision administered by HUD in connection with CDBG-DR funds (except for requirements related to fair housing, nondiscrimination, labor standards, and the environment) upon a finding of good cause that the waiver or alternative requirement is not inconsistent with the overall purposes of title I of the HCD Act.

Commencing at 12:00 a.m. Eastern Standard Time (EST) on December 22, 2018, and ending on January 25, 2019, HUD operations were limited to certain excepted activities as a result of the lapse in FY 2019 appropriations. As a result, HUD could not be assured of completing its review of pending submissions and issuing affirmative approvals within the 60-day period established by section 105(c)(1) of the Cranston-Gonzalez National Affordable Housing Act. Accordingly, on January 9,
