Privacy Act of 1974; System of Records

AGENCY: Washington Headquarters Services, DoD.

ACTION: Rescindment of a System of Records Notice.

SUMMARY: The Office of the Secretary of Defense proposes to rescind System of Records Notice, Correspondence and Task Management System (CATMS), DWHS E06. This information system tracks communications with the Office of the Secretary of Defense (OSD) and coordinates correspondence and staff packages, and does not meet the standard for a Privacy Act system of records.

DATES: Comments will be accepted on or before April 8, 2019. This proposed action will be effective on the date following the end of the comment period unless comments are received which result in a contrary determination. A review of this system was conducted on April 4, 2017, and during this review it was determined that the system does not meet the standard for a Privacy Act system of records. Records are retrieved by alphanumeric reference numbers, not by individual name or other personal identifier.
