

FEDERAL RESERVE SYSTEM**Agency Information Collection Activities: Announcement of Board Approval Under Delegated Authority and Submission to OMB With Request for Comments**

AGENCY: Board of Governors of the Federal Reserve System.

ACTION: Notice; extension of comment period.

SUMMARY: On November 30, 2018, the Board published a notice in the **Federal Register** (83 FR 61635) requesting public comment for 60 days on a proposal to extend for three years, with revision, the Application to Become a Savings and Loan Holding Company or to Acquire a Savings Association or Savings and Loan Holding Company (FR LL-10(e); OMB No. 7100-0336). The comment period for this notice expired on January 29, 2019. For reasons described below, the Board has determined that it is appropriate to reopen the comment period for 30 days. This action will allow interested persons additional time to analyze the proposal and prepare their comments.

Accordingly, comments will not be edited to remove any identifying or contact information. SUPPLEMENTARY INFORMATION: On November 30, 2018, the Board invited public comment on a proposal to extend for three years, with revision, the FR LL-10(e). The FR LL-10(e) collects information that must be filed in connection with certain proposals involving the formation, acquisition, or merger of a savings and loan holding company.

At the time the Board invited public comment on the proposal, it made available a version of the proposed reporting form and instructions on the Board's public website. However, the version that was made available on the Board's public website mistakenly omitted the proposed certification page for the FR LL-10(e). The certification page records identification and contact information for the applicant, whether the applicant is requesting confidential treatment for materials submitted, and a certification by a representative of the applicant that, among other things, the information provided in the application is accurate to the best of the signatory's knowledge and belief. A version of this certification page is currently included as part of the current form (Form H-(e)). The proposed version of the certification page would alter the style and formatting of the certification page to make it consistent with certification pages found in other Board forms. This proposed version of the certification page is now available on the Board's public website as part of the proposed reporting form and instructions for this collection of information.

In order to provide the public with an opportunity to review and comment on the certification page, the Board is reopening the comment period on this proposal for a period of 30 days.

By order of the Board of Governors of the Federal Reserve System, acting through the Secretary of the Board under delegated authority, March 4, 2019.

Ann E. Misback,

Secretary of the Board.
