[Docket ID DOD–2019–OS–0019]

Privacy Act of 1974; System of Records

AGENCY: Office of the Secretary of Defense, DoD.

ACTION: Notice of a modified system of records.

SUMMARY: The Office of the Secretary of Defense (OSD) proposes to modify a system of records titled Joint Civilian Orientation Conference (JCOC) Files, DPA DCR.A 01. The JCOC Program Coordinator uses this system of records to initiate an annual call for nominations and an electronic nomination form to email all individuals authorized to nominate candidates for participation in JCOC. Authorized individuals that choose to nominate candidates for participation in JCOC complete the electronic nomination form and return it via email to the JCOC Program Coordinator. Subsequent to a selection panel process, the JCOC Program Coordinator distributes an electronic registration form and an electronic medical form via email to all candidates nominated for and selected to participate in JCOC. Candidates that accept the invitation to participate in JCOC complete the electronic registration form and their physician signs the electronic medical form. Upon completion, the candidate returns both the registration form and medical form to the JCOC Program Coordinator via email.

DATES: Comments will be accepted on or before April 8, 2019. This proposed action will be effective on the date following the end of the comment period unless comments are received which result in a contrary determination.

SUPPLEMENTARY INFORMATION: The JCOC is a weeklong engagement program providing business and community leaders the opportunity to gain firsthand knowledge and experience with the Department of Defense (DoD) and each of the military services. The JCOC Program mission is to increase public understanding of national defense by enabling American business and community leaders to directly observe and engage with the U.S. military in areas such as global security threats, budget implications, social issues facing troops, and the needs of transitioning Service members. The program's objective is to educate and inform private sector leaders and enhance their understanding of the military and its personnel. The JCOC also provides the American public opportunities to obtain a better understanding of national defense policies and programs.

The JCOC is the oldest and most prestigious public liaison program in the DoD and is the only outreach program sponsored by the Secretary of Defense. The authority vested in the Secretary of Defense per section 113 of 10 United States Code (U.S.C.) and DoD Directive 5122.5 establishes the position of Assistant Secretary of Defense for Public Affairs (ASD(PA)). The ASD(PA)'s responsibilities, functions, and authorities include the conduct of public affairs, community relations activities and programs as authorized by DoD Directive 5410.18, Public Affairs Community Relations Policy. This policy includes administration and execution of the JCOC Program.

This modification reflects changes to the system number, system location, system manager(s), authority, purpose, categories of individuals, categories of records, record source categories, routine uses, storage, retrieval, retention and disposal, safeguards, record access procedures, contesting records, and notification procedures and the addition of security classification and history sections.

The OSD notices for systems of records subject to the Privacy Act of 1974 (5 U.S.C. 552a), as amended, have been published in the **Federal Register** and are available from the address in **FOR FURTHER INFORMATION CONTACT** or from the Defense Privacy, Civil Liberties, and Transparency Division website at *http://defense.gov/privacy*.

The proposed systems reports, as required by 5 U.S.C. 552a(r) of the Privacy Act, as amended, were submitted on December 17, 2018, to the House Committee on Oversight and Government Reform, the Senate Committee on Homeland Security and Governmental Affairs, and the Office of Management and Budget (OMB) pursuant to Section 6 to OMB Circular No. A–108, ''Federal Agency Responsibilities for Review, Reporting, and Publication under the Privacy Act,'' revised December 23, 2016 (December 23, 2016, 81 FR 94424).
