The public record for these reviews may be viewed on the Commission’s electronic docket (EDIS) at <https://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION:

Background.—On December 10, 2018, the Commission determined that the domestic interested party group response to its notice of institution (83 FR 44898, September 4, 2018) of the subject five-year reviews was adequate and that the respondent interested party group response was inadequate in each review. The Commission did not find any other circumstances that would warrant conducting full reviews.¹ Accordingly, the Commission determined that it would conduct expedited reviews pursuant to section 751(c)(3) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(3)).² Due to the lapse in

appropriations and ensuing cessation of Commission operations, the Commission tolled its deadlines in these reviews.

For further information concerning the conduct of these reviews and rules of general application, consult the Commission’s Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

Staff report.—A staff report containing information concerning the subject matter of the reviews will be placed in the nonpublic record on March 7, 2019, and made available to persons on the Administrative Protective Order service list for these reviews. A public version will be issued thereafter, pursuant to section 207.62(d)(4) of the Commission’s rules.

Written submissions.—As provided in section 207.62(d) of the Commission’s rules, interested parties that are parties to the reviews and that have provided individually adequate responses to the notice of institution, and any party other than an interested party to the reviews may file written comments with the Secretary on what determinations the Commission should reach in the reviews. Comments are due on or before March 12, 2019 and may not contain new factual information. Any person that is neither a party to the five-year reviews nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the reviews by March 12, 2019. However, should the Department of Commerce (“Commerce”) extend the time limit for its completion of the final results of its reviews, the deadline for comments (which may not contain new factual information) on Commerce’s final results is three business days after the issuance of Commerce’s results. If comments contain business proprietary information (BPI), they must conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission’s rules. The Commission’s rules with respect to filing were revised effective July 25, 2014. See 79 FR 35920 (June 25, 2014), and the revised Commission Handbook on E-filing, available from the Commission’s website at <https://edis.usitc.gov>.

In accordance with sections 201.16(c) and 207.3 of the rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Determinations.—The Commission has determined these reviews are extraordinarily complicated and therefore has determined to exercise its authority to extend the reviews period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

Authority: These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission’s rules.

By order of the Commission.

Issued: March 4, 2019.

Katherine Hiner,

Acting Secretary to the Commission.

Certain Sleep-Disordered Breathing Treatment Mask Systems and Components Thereof; Notice of the Commission’s Determination To Review an Initial Determination Amending the Complaint and Notice of Investigation; Affirmance of the Initial Determination With Modified Reasoning

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined to review the presiding administrative law judge’s (“ALJ”) initial determination (“ID”) (Order No. 11) amending the complaint and notice of investigation to reflect a corporate name change of complainant ResMed Ltd to ResMed Pty Ltd.

FOR FURTHER INFORMATION CONTACT:

Amanda Pitcher Fisherow, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 205-2737. Copies of non-confidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 205-2000. General information concerning the Commission may also be obtained by accessing its internet server at <https://www.usitc.gov>. The public record for this investigation may be viewed on the Commission’s electronic docket (EDIS) at <https://edis.usitc.gov>. Hearing-impaired

persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on October 4, 2018, based on a complaint, as supplemented, filed on behalf of ResMed Corp. of San Diego, California, ResMed Inc. of San Diego, California, and ResMed Ltd. of Bella Vista, Australia (collectively, "Complainants"). 83 FR 50,121 (October 4, 2018). The complaint, as supplemented, alleges violations of Section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337 ("section 337"), based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain sleep-disordered breathing treatment mask systems and components thereof by reason of infringement of certain claims of U.S. Patent No. 9,119,931; U.S. Patent No. 9,027,556; U.S. Patent No. 9,962,511; U.S. Patent No. 9,962,510; U.S. Patent No. 9,937,315. The complaint further alleges that an industry in the United States exists as required by section 337. The notice of investigation named Fisher & Paykel Healthcare Limited of Auckland, New Zealand; Fisher & Paykel Healthcare, Inc. of Irvine, California; and Fisher & Paykel Healthcare Distribution Inc. of Irvine, California as respondents. The Office of Unfair Import Investigations is not participating in this investigation.

On February 13, 2019, the Complainants filed an unopposed motion for leave to amend the complaint and notice of investigation to reflect a corporate name change of one of the complainants from ResMed Ltd to ResMed Pty Ltd. Complainants argued that good cause exists and that there would be no harm to the public interest.

On February 14, 2019, the ALJ issued the subject ID, granting complainants' unopposed motion. The ID found that good cause exists to amend the complaint and notice of investigation. The ID also noted that there was no opposition to the motion. No petitions for review were filed.

The Commission has determined to review the ID. On review, the Commission affirms the ID's finding that good cause has been shown. The Commission further finds that the amendment to the notice of investigation and complaint would not prejudice the public interest. The

complaint and notice of investigation are amended to reflect the corporate name change from ResMed Ltd to ResMed Pty Ltd.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.
Issued: March 5, 2019.

Katherine Hiner,

Acting Secretary to the Commission.
