BILLING CODE 4910–13–P
Secretary for Educational and Cultural Affairs, United States Department of State, made the necessary determinations to extend the import restrictions for an additional five years. Additionally, pursuant to his statutory and decision-making authority, the Assistant Secretary for Educational and Cultural Affairs, United States Department of State, included the coverage of certain ecclesiastical ethnological material to the Designated List. On March 12, 2014, CBP published a final rule (CBP Dec. 14–03) in the Federal Register (79 FR 13873). This final rule amended §12.104g(a) to reflect the extension of these import restrictions for an additional five years and added restrictions on ecclesiastical ethnological material dating to the Colonial Period of Honduras, c.A.D. 1502 to 1821. The amended Designated List of archaeological and ecclesiastical ethnological material is set forth in CBP Dec. 14–03. These import restrictions are due to expire on March 12, 2019. On December 14, 2018, the Assistant Secretary for Educational and Cultural Affairs, United States Department of State, after consultation with and recommendations by the Cultural Property Advisory Committee, determined that the cultural heritage of Honduras continues to be in jeopardy from pillage of certain archaeological and ecclesiastical ethnological material and that the import restrictions should be extended for an additional five years. Subsequently, a new MOU was concluded between the United States and Honduras. The new MOU supersedes and replaces the prior MOU and extends the import restrictions that went into effect under the prior MOU for an additional five years. This MOU is titled: “Memorandum of Understanding between the Government of the United States of America and the Government of Republic of Honduras Concerning the Imposition of Import Restrictions on Archaeological Material from the Pre-Columbian Cultures of Honduras and Continuing Concerns regarding Pre-Columbian Cultures of Honduras.” Accordingly, CBP is amending the CBP Dec. 104g(a) to reflect the extension of the import restrictions. The restrictions on the importation of archaeological and ecclesiastical ethnological material are to continue in effect through March 12, 2024. Importation of such material from Honduras continues to be restricted through that date unless the conditions set forth in 19 U.S.C. 2606 and 19 CFR 12.104c are met. Inapplicability of Notice and Delayed Effective Date

This amendment involves a foreign affairs function of the United States and is, therefore, being made without notice or public procedure under 5 U.S.C. 553(a)(1). For the same reason, a delayed effective date is not required under 5 U.S.C. 553(d)(3).

Regulatory Flexibility Act

Because no notice of proposed rulemaking is required, the provisions of the Regulatory Flexibility Act (5 U.S.C. 601 et seq.) do not apply.

Executive Orders 12866 and 13771

CBP has determined that this document is not a regulation or rule subject to the provisions of Executive Order 12866 or Executive Order 13771 because it pertains to a foreign affairs function of the United States, as described above, and therefore is specifically exempted by section 3(d)(2) of Executive Order 12866 and section 4(a) of Executive Order 13771.

Signing Authority

This regulation is being issued in accordance with 19 CFR 0.1(a)(1), pertaining to the Secretary of the Treasury’s authority (or that of his/her delegate) to approve regulations related to customs revenue functions.

SUMMARY: This final rule removes the Department of Defense (DoD) regulation concerning a program to encourage public and community service by separating/reiring Service members, and DoD civilian personnel leaving the Government, and encourages spouses to enter public and community service employment. The authorizing legislation for this program has been repealed. Therefore, this part is outdated and unnecessary and should be removed.

DATES: This rule is effective on March 12, 2019.

FOR FURTHER INFORMATION CONTACT: Ronald H. Horne, (703) 614–8631.

SUPPLEMENTARY INFORMATION: It has been determined that publication of this CFR part removal for public comment is impracticable, unnecessary, and contrary to public interest since it is based on removing obsolete information.

This part was originally published October 23, 1992, under 10 U.S.C. 1143a, and established a program to identify and encourage public and community service to separating DoD service members and civilians within the Office of the Secretary of Defense. The rule authorized DoD to counsel and create personnel registries for them to learn about community and public service employment prior to separation and retirement. It required public and community service organizations employers to register in an organizational registry to validate their eligibility. The Fiscal Year 2019 National Defense Authorization Act (Pub. L. 115–232), section 553 repealed this part’s authorizing legislation.

This rule is not significant under Executive Order (E.O.) 12866, “Regulatory Planning and Review”; therefore, the requirements of E.O. 13771, “Reducing Regulation and Controlling Regulatory Costs” do not apply.

I. What are the State rule revisions?

On December 12, 2017 and August 9, 2018, MDEQ submitted a request to EPA to incorporate revisions to Michigan’s Air Pollution Control Rules entitled Part 1—General Provisions (Part 1). Part 1 is a compilation of the definitions used in Michigan’s rules. The submission revises the following Michigan’s Air Pollution Control rules: R 336.1101 to 1103, R 336.1106 to 1109, R 336.1112 to 1116, and R 336.1118 to 1123. The revisions are primarily administrative changes. The revisions to Part 1 include a range of administrative changes, from grammatical corrections to language updates.

In the August 9, 2018, submission, MDEQ rescinded its request to modify Part 1 for the following definitions: R336.1101(a) “Act,” R336.1101(b) “Air pollution,” R336.1101(q) “Aqueous based parts washer,” and R336.1103(aa) “Cold cleaner.”
