### Federal Railroad Administration

[Docket Number FRA-2019-0022]

#### Petition for Waiver of Compliance

Under part 211 of Title 49 Code of Federal Regulations (CFR), this document provides the public notice that on February 25, 2019, the North Shore Railroad Company (NSHR) and its affiliates: Juniata Valley Railroad (JVRR), Lycoming Valley Railroad (LVRR), Nittany & Bald Eagle Railroad (UCIR), Shamokin Valley Railroad (SVRR), and Union County Industrial Railroad (UCIR), petitioned the Federal Railroad Administration (FRA) for a waiver of compliance from certain provisions of the Federal railroad safety regulations contained at 49 CFR part 240, *Qualification and Certification of Locomotive Engineers*, and part 242, *Qualification and Certification of Conductors*. FRA assigned the petition Docket Number FRA-2019-0022.

The relief is requested as part of NSHR's proposed implementation of and participation in FRA's Confidential Close Call Reporting System (C<sup>3</sup>RS) Program. NSHR seeks to shield reporting employees and the railroad from mandatory punitive sanctions that would otherwise arise as provided in 49 CFR 240.117(e)(1)-(4); 240.305(a)(1)-(4) and (a)(6); 240.307; 242.403(b), (c), (e)(1)-(4), (e)(6)-(11), and (f)(1)-(2). The C<sup>3</sup>RS Program encourages certified operating crew members to report close calls and protect the employees and the railroad from discipline or sanctions arising from the incidents reported per the C<sup>3</sup>RS Implementing Memorandum of Understanding.

A copy of the petition, as well as any written communications concerning the petition, is available for review online at [www.regulations.gov](http://www.regulations.gov) and in person at the U.S. Department of Transportation's (DOT) Docket Operations Facility, 1200 New Jersey Avenue SE, W12-140, Washington, DC 20590. The Docket Operations Facility is open from 9 a.m. to 5 p.m., Monday through Friday, except Federal Holidays.

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. FRA does not anticipate scheduling a public hearing in connection with these proceedings since the facts do not appear to warrant a hearing. If any interested parties desire an opportunity for oral comment and a public hearing, they should notify FRA, in writing, before the end of the comment period and specify the basis for their request.

All communications concerning these proceedings should identify the appropriate docket number and may be submitted by any of the following methods:
