

Among other things, the joint statement confirms that supervisory guidance does not have the force and effect of law, and the agencies do not take enforcement actions based on supervisory guidance. The joint statement also explains that supervisory guidance outlines the agencies' supervisory expectations or priorities and articulates the agencies' general views regarding appropriate practices for a given subject area.

4.1.4 Updates to HMDA Small Entity Compliance Guide

On October 30, 2018, the Bureau updated the HMDA Small Entity Compliance Guide to reflect changes made by section 104(a) of the Economic Growth, Regulatory Relief, and Consumer Protection Act (signed into law on May 24, 2018) to the Home Mortgage Disclosure Act (HMDA). More details, including an executive summary and other resources for compliance, can be found at: <https://www.consumerfinance.gov/policy-compliance/guidance/implementation-guidance/hmda-implementation/>.¹⁷

5. Conclusion

The Bureau will continue to publish Supervisory Highlights to aid Bureau-supervised entities in their efforts to comply with Federal consumer financial law. The report shares information regarding general supervisory and examination findings (without identifying specific institutions, except in the case of public enforcement actions), communicates operational changes to the program, and provides a convenient and easily accessible resource for information on the Bureau's guidance documents.

6. Regulatory Requirements

This Supervisory Highlights summarizes existing requirements under the law, summarizes findings made in the course of exercising the Bureau's supervisory and enforcement authority, and is a non-binding general statement of policy articulating considerations relevant to the Bureau's exercise of its supervisory and enforcement authority. It is therefore exempt from notice and comment rulemaking requirements under the Administrative Procedure Act pursuant to 5 U.S.C. 553(b). Because no notice of proposed rulemaking is required, the

Regulatory Flexibility Act does not require an initial or final regulatory flexibility analysis. 5 U.S.C. 603(a), 604(a). The Bureau has determined that this Supervisory Highlights does not impose any new or revise any existing recordkeeping, reporting, or disclosure requirements on covered entities or members of the public that would be collections of information requiring OMB approval under the Paperwork Reduction Act, 44 U.S.C. 3501, *et seq.*

Title of Collection: Migrant Student Information Exchange (MSIX).

OMB Control Number: 1810-0683.

Type of Review: An extension of an existing information collection.

Respondents/Affected Public: State, Local, and Tribal Governments.

Total Estimated Number of Annual Responses: 46.

Total Estimated Number of Annual Burden Hours: 454,701.

Abstract: The U.S. Department of Education (ED) has a continued need to support existing regulations for the use of the Migrant Student Information Exchange (MSIX), a nationwide, electronic records exchange mechanism mandated under Title I, Part C of the Elementary and Secondary Education Act (ESEA), as amended. As a condition of receiving a grant of funds under the Migrant Education Program (MEP), each State educational agency (SEA) is required to collect, maintain, and submit minimum health and education-related data to MSIX within established time-frames. These regulations facilitate timely school enrollment, placement, and accrual of secondary course credits for migratory children and help us determine accurate migratory child counts and meet other MEP reporting requirements. The MEP is authorized under sections 1301-1309 in Title I, Part C of the ESEA. MSIX and the minimum data elements (MDEs) are authorized specifically under section 1308(b) of the ESEA. The burden hours and costs associated with this data collection are required to ensure that States implement and utilize MSIX for interstate migrant student records exchange, which will then enable the Department to meet the statutory mandate in section 1308(b) of the ESEA to facilitate the electronic exchange of MDEs by SEAs to address the educational and related needs of migratory children.
