Public review of the DEIS is part of the administrative process for the evaluation of the Tribe's application to the BIA for the Federal trust acquisition of approximately 60 acres in the Township of Fruitport, Muskegon County, Michigan, upon which the Tribe proposes to develop a casino, hotel, parking, and other supporting facilities. The BIA held a public meeting on the DEIS on December 12, 2018 at Fruitport Middle School, 3113 E Pontaluna Road, Fruitport, Michigan 49415.

*Background:* The Proposed Project consists of the following components: (1) The transfer of an approximately 60-acre property from fee to trust status; (2) issuance of a Secretarial Determination by the Secretary of the Interior (Secretary) under Section 20 of the Indian Gaming Regulatory Act (IGRA) that gaming on the project site would be in the best interest of the Tribe and not detrimental to the surrounding community (25 U.S.C. 2719(b)(1)(A)); and (3) development of the trust parcel and adjacent land owned by the Tribe, totaling approximately 86.5 acres, with a variety of uses including a casino, hotel, conference center, parking, and other supporting facilities. At full build-out, the proposed casino facility would include approximately 149,069 square feet of gaming floor; a hotel with 220 guest rooms; a 250-seat buffet, as well as a café, sports bar, food court, and other food and beverage providers; and an approximately 38,790-square foot convention center. Access to the project site would be provided via two driveways: One along Harvey Street and one along East Ellis Road. Five service driveways, not for public use, would be located on East Ellis Road.

The following alternatives are considered in the DEIS: (1) Proposed Project; (2) Reduced Intensity Alternative; (3) Non-Gaming Alternative; (4) Custer Site Alternative, and (5) No Action/No Development. Environmental issues addressed in the DEIS include geology and soils, water

resources, air quality, biological resources, cultural and paleontological resources, socioeconomic conditions (including environmental justice), transportation and circulation, land use, public services, noise, hazardous materials, aesthetics, cumulative effects, and indirect and growth-inducing effects.

### History and Description of the Remains

In 1980, human remains representing, at minimum, three individuals were removed from the Converse 2 site (34Jn28) in Johnston County, OK. The site was excavated by the Oklahoma Anthropological Society at various times between 1978 and 1980, and was subsequently turned over to the Museum. The human remains consist of a fragmentary skeleton of one infant, 3–6 months old; one complete skeleton of an adult female, 35–50 years old; and one partial skeleton of an infant, 6 months to 1 year old. No known individuals were identified. The 1,234 associated funerary objects are one chipped stone biface fragment, 11 chipped stone cobble fragments, 556 chipped stone flakes, two chipped stone projectile point fragments, one large chipped stone projectile point, three pottery sherds, 51 shell fragments, six bird bone beads, 72 burned faunal bone fragments, 487 unmodified faunal bone fragments, and 44 charcoal and burned nutshell fragments.

The Converse 2 site is Plains Woodland in age (300 B.C.–A.D. 1000). Diagnostic cultural materials, oral history, and post-contact European records support the determination that the area was historically occupied by the Wichita and Affiliated Tribes (Wichita, Keechi, Waco & Tawakonie), Oklahoma.

- Pursuant to 25 U.S.C. 3001(9), the human remains described in this notice represent the physical remains of three individuals of Native American ancestry.

- Pursuant to 25 U.S.C. 3001(3)(A), the 1,234 objects described in this notice are reasonably believed to have been placed with or near individual human remains at the time of death or later as part of the death rite or ceremony.

- Pursuant to 25 U.S.C. 3001(2), there is a relationship of shared group identity that can be reasonably traced between the Native American human remains and associated funerary objects and the Wichita and Affiliated Tribes (Wichita, Keechi, Waco & Tawakonie), Oklahoma.
