Bureau of Industry and Security

Amended Order Denying Export Privileges

In the Matter of: Shavkat Abdullaev, Inmate Number: 73083–279, Moshannon Valley Correctional Institution, 555 Geo Drive, Philipsburg, PA 16666.

On December 1, 2018, in the U.S. District Court for the Eastern District of New York, Shavkat Abdullaev (“Abdullaev”) was convicted of violating the International Emergency Economic Powers Act (50 U.S.C. 1701, et seq. (2012)) (“IEEPA”). Specifically, Abdullaev was convicted of knowingly and intentionally exporting from the United States to Russia microelectronics without the required U.S. Department of Commerce licenses. Abdullaev was sentenced to 36 months in prison, two years of supervised release, and a $400 assessment.

On December 31, 2018, I issued an Order denying Abdullaev’s export privileges pursuant to Section 766.25 of the Export Administration Regulations (“EAR” or “Regulations”), for a period of five (5) years from the date of his conviction. In addition, pursuant to Section 750.8 of the Regulations, the Order also revoked any licenses issued by the Bureau of Industry and Security (“BIS”) in which Abdullaev had an interest at the time of his conviction.

Prior to issuance of the December 31, 2018 Order, BIS, in accordance with Section 766.25 of the Regulations, provided Abdullaev notice of the proposed action and an opportunity to make a written submission opposing it. Unknown to BIS at the time, Abdullaev had mailed a submission, dated December 19, 2018, opposing the proposed action. Due apparently to the partial U.S. Government shutdown, BIS did not receive Abdullaev’s submission until January 30, 2019. It is possible that, but for the shutdown, the submission may have been received by BIS in timely fashion.

In light of the foregoing, I have reviewed and considered Abdullaev’s submission and the record as a whole. Based upon review and consideration of Abdullaev’s submission and all available facts, in addition to my consultations with BIS’s Office of Export Enforcement and its Director, I hereby affirm my decision denying Abdullaev’s export privileges under the Regulations for a period of five years from the date of Abdullaev’s conviction, and revoking any BIS-issued licenses in which Abdullaev had an interest at the time of his conviction. Thus, in sum, the terms of the December 31, 2018 Order are hereby affirmed, except as amended herein to reflect receipt and consideration of Abdullaev’s written submission.

Accordingly, it is hereby ordered: First, from the date of this Order until December 1, 2021, Shavkat Abdullaev with a last known address of Inmate Number: 73083–279, Moshannon Valley Correctional Institution, 555 Geo Drive, Philipsburg, PA 16666, and when acting for or on his behalf, his successors, assigns, employees, agents, or representatives (“the Denied Person”), may not, directly or indirectly, do any of the following: Export or reexport to or on behalf of the Denied Person any item subject to the Regulations; Take any action that facilitates the acquisition or attempted acquisition by the Denied Person of the ownership, possession, or control of any item subject to the Regulations that has been or will be exported from the United States, including financing or other support activities related to a transaction whereby the Denied Person acquires or attempts to acquire such ownership, possession or control; Take any action to acquire from or to facilitate the acquisition or attempted acquisition from the Denied Person of any item subject to the Regulations that has been exported from the United States; Obtain from the Denied Person in the United States any item subject to the Regulations with knowledge or reason to know that the item will be, or is intended to be, exported from the United States; or Engage in any transaction to service any item subject to the Regulations that has been or will be exported from the United States and which is owned, possessed or controlled by the Denied Person, or service any item, of whatever origin, that is owned, possessed or controlled by the Denied Person if such service involves the use of any item subject to the Regulations that has been or will be exported from the United States. For purposes of this paragraph, servicing means installation, maintenance, repair, modification or testing.
