SUPPLEMENTARY INFORMATION:

Title: Gas Pipelines Certificates: Section 7(a) Mandatory Initial Service.

OMB Control No.: 1902-0061.

Type of Request: Three-year extension of the FERC-538 information collection requirements with no changes to the current reporting requirements.

Abstract: Under sections 7(a), 10(a) and 16 of Natural Gas Act (NGA),¹ upon application by a person or municipality authorized to engage in the local distribution of natural gas, the Commission may order a natural gas company to extend or improve its transportation facilities, and sell natural gas to the municipality or person and, for such purpose, to extend its transportation facilities to communities immediately adjacent to such facilities or to territories served by the natural gas pipeline company. The Commission uses the application data in order to be fully informed concerning the applicant, and the service the applicant is requesting.

Type of Respondents: Persons or municipalities authorized to engage in the local distribution of natural gas.

Estimate of Annual Burden²: The Commission estimates the annual reporting burden and cost for the information collection as:

¹ 15 U.S.C. 717f-w.

² "Burden" is defined as the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. For further explanation of what is included in the information collection burden, reference 5 Code of Federal Regulations 1320.3.
