I. Background and Authority

The Middle Class Tax Relief and Job Creation Act of 2012 (Act) created the First Responder Network Authority (FirstNet) as an independent authority within NTIA and charged it with ensuring the building, deployment, and operation of a nationwide, interoperable public safety broadband network, based on a single, national network architecture.¹ FirstNet holds the single public safety license granted for

In addition, by this Notice, the Secretary of Commerce, through NTIA, will accept expressions of interest until April 18,
