SUPPLEMENTARY INFORMATION: The
Commission instituted an investigation
on May 23, 2017, based on a complaint
filed by iRobot Corporation of Bedford,
Massachusetts ("iRobot"). 82 FR 23593-
94. The complaint, as supplemented,
alleged violations of section 337 of the
Tariff Act of 1930, as amended, 19
U.S.C. 1337, in the importation into the
United States, the sale for importation,
and the sale within the United States
after importation of certain robotic
vacuum cleaning devices and
components thereof that infringe certain
claims of, *inter alia*, U.S. Patent No.
9,038,233 ("the '233 patent"). *Id.* The
Commission's notice of investigation
named as a respondent, *inter alia*,
Shenzhen Silver Star Intelligent
Technology Co., Ltd., of Shenzhen,
China ("Silver Star"). *Id.* at 23593. The
Office of Unfair Import Investigations
did not participate in the investigation.
Id.

On November 30, 2018, the
Commission found, *inter alia*, that
Silver Star violated section 337 with
respect to the '233 patent, and issued a
limited exclusion order ("LEO") against,
inter alia, Silver Star with respect to
claims 1, 10, 11, and 14-16 of the '233
patent. 83 FR 63186-87. The
Commission also issued cease and
desist orders ("CDOs") against two of
Silver Star's customers, Hoover Inc. and
bObsweep, Inc., regarding those same
claims. *Id.*

On January 30, 2019, Silver Star filed
a request for an advisory opinion that
eight of its products do not violate the
LEO and CDOs. On February 11, 2019,
iRobot opposed the advisory opinion
request on numerous grounds.

On February 22, 2019, Silver Star
requested leave to file a reply in support
of its request for an advisory opinion.
On February 27, 2019, iRobot argued
that Silver Star's request for leave
should be denied, or alternatively,
iRobot should be given leave to file the
attached sur-reply.

The Commission has determined that
Silver Star's request complies with the
requirements for institution of an
advisory opinion proceeding under
Commission Rule 210.79. The
Commission finds that proceeding
requires sufficient factfinding to warrant
the delegation of the proceeding to an
administrative law judge. Accordingly,
the Commission has determined to
institute an advisory opinion
proceeding and has referred Silver Star's
request to the Chief Administrative Law
Judge to designate a presiding
administrative law judge. The following
entities are named as parties to the
proceeding: (1) Complainant iRobot; (2)
respondent Silver Star; and (3) the
Office of Unfair Import Investigations.
The Commission has also determined to
deny Silver Star's request for leave to
file a reply in support of its advisory
opinion request.

The authority for the Commission's
determination is contained in section
337 of the Tariff Act of 1930, as
amended (19 U.S.C. 1337), and in part
210 of the Commission's Rules of
Practice and Procedure (19 CFR part
210).

By order of the Commission.

Issued: March 15, 2019.

Katherine Hiner,

Acting Secretary to the Commission.
