DEPARTMENT OF VETERANS AFFAIRS

Funding Availability: Homeless Providers Grant and Per Diem Program

AGENCY: Department of Veterans Affairs.

ACTION: Notice of Funding Availability (NOFA).

SUMMARY: The Department of Veterans Affairs (VA) is announcing the availability of funds to eligible entities to provide time-limited case management services to improve the retention of housing by Veterans who were previously homeless and are transitioning to permanent housing from programs such as VA's Homeless Providers Grant and Per Diem (GPD) Program or VA's Healthcare for Homeless Veterans (HCHV) Contracted Residential Services (CRS) Program.

DATES: Applications for case management grants under the GPD Program must be received by the GPD National Program Office by 4:00 p.m. Eastern Time on Monday, May 20, 2019. In the interest of fairness to all competing applicants, this deadline is firm as to date and hour, and VA will treat as ineligible for consideration any application that is received after the deadline. Applicants should take this practice into account and make early submission of their materials to avoid any risk of loss of eligibility brought about by unanticipated delays, computer service outages, or other submission-related problems.

For a Copy of the Application Package: The required documentation for an application submission is outlined under the Application Documentation Required section of this NOFA. Questions should be referred to the GPD National Program Office by email at GPDgrants@va.gov. For detailed GPD Program information and requirements, see part 61 of Title 38, Code of Federal Regulations (38 CFR part 61).

Submission of Application Package: Applicants must submit applications electronically following instructions

found at www.va.gov/homeless/gpd.asp. Applications may not be mailed, emailed, or sent by fax. Applications must be received by the GPD Program Office by 4:00 p.m. Eastern Time on the application deadline date. Applications must be submitted as a complete package. Materials arriving separately will not be included in the application package for consideration and may result in the application being rejected or not funded. See Funding Limitations section of this NOFA for maximum allowable grant amounts.

Technical Assistance: Information regarding how to obtain technical assistance with the preparation of a case management grant application is available on the GPD Program website at: www.va.gov/homeless/gpd.asp.

FOR FURTHER INFORMATION CONTACT: Mr. Jeffery L. Quarles, Director, VA GPD National Program, at GPDGrants@va.gov.

SUPPLEMENTARY INFORMATION:

Funding Opportunity Title: Grant and Per Diem Case Management Services Grant Program.

Announcement Type: Initial.

Funding Opportunity Number: VA-GPD-CM-FY2019.

Catalog of Federal Domestic Assistance Number: 64.024, VA Homeless Providers Grant and Per Diem Program.

I. Funding Opportunity Description

A. Purpose: In an effort to reduce homelessness in the Veteran population, Congress required VA to expand its benefits for homeless Veterans by establishing a new grant program. See Public Law 114-315, sec. 712 (December 16, 2016) (codified as 38 United States Code (U.S.C.) 2013). This case management NOFA will provide funds to organizations within communities that provide case management services to improve the retention of housing by Veterans who were previously homeless and are transitioning to permanent housing and to Veterans who are at risk of becoming homeless.

To ensure that grant funding is used to provide case management services to as many Veterans as possible, grant funds under this program may not be used for Veterans who are receiving case management services from permanent supportive housing programs (e.g., Housing and Urban Development-VA Supportive Housing (HUD-VASH)) or rapid re-housing/homeless prevention programs (e.g., Supportive Services for Veterans Families (SSVF)).

Examples of case management services that grantees can provide using

these grant funds include, but are not limited to, the following:

1. Making home visits by the case manager to monitor housing stability;
2. Providing or coordinating educational activities related to meal planning, tenant responsibilities, the use of public transportation, community resources, financial management, development of natural supports;
3. Making referrals to needed services, such as mental health, substance use disorder, medical, and employment services; and
4. Participating in case conferencing with other service providers who are working with the Veteran.

There is a 6-month time limit for Veterans to receive case management services. However, VA may approve a request to extend services beyond the 6-month period if an organization submits a request to VA in writing, and VA approves it before the 6-month time limit expires. Because in most circumstances case management services are provided to Veterans after they have been in receipt of benefits under the GPD or HCHV CRS Programs, VA believes that 6 months would, in most cases, be sufficient time for a Veteran to have the necessary tools in place to retain permanent housing.

B. Definitions: Title 38 CFR part 61 contains definitions of terms used in the GPD Program that are applicable to this NOFA.

C. VHA Homeless Programs Referenced in this NOFA:

1. The GPD Program provides grant funding to community-based organizations to provide transitional housing and supportive services to homeless Veterans. Case management grants are part of the GPD Program.
2. The HCHV Contracted Residential Services Program places Veterans who qualify for VA health care in need of an immediate housing placement into short-term community-based supportive housing with the goal of transitioning Veterans to permanent housing and/or additional care.
3. The SSVF Program provides grant funding to community-based organizations to assist very low-income veteran families residing in or transitioning to permanent housing. SSVF grantees provide a range of supportive services to eligible Veteran families that are designed to promote housing stability.
4. The HUD-VASH Program is a collaborative program between HUD and VA, which combines HUD housing vouchers with VA supportive services to help Veterans and their families who are homeless find and sustain permanent housing.
