Respondents are high school juniors and college students who have agreed to enlist in the Army National Guard. NGB Form 900 and NGB Form 901 each record an enlistee's last day of school, first day of school for the next school year, and/or graduation date, as applicable. The completed forms are used to properly process applicants into

the Army National Guard. If the form is not completed, applicants cannot be properly processed for enlistment in a way that is compatible with their education dates, and this error could result in wasted funds for scheduled incomplete Basic Combat Training.
