Expiration Date of Current Approval: April 30, 2019.

Type of Request: Intent to seek approval for the extension of a currently approved information collection for three years.

Abstract: Use of the 4-H Club Name and/or Emblem is authorized by an Act of Congress (18 U.S.C. 707). Use of the 4-H Club Name and/or Emblem by anyone other than 4-H Clubs and those duly authorized by them, representatives of the United States Department of Agriculture, the land grant colleges and universities, and persons authorized by the Secretary of Agriculture is prohibited by the provisions of 18 U.S.C. 707. The Secretary of Agriculture has delegated authority to the Director of NIFA to authorize others to use the 4-H Club Name and Emblem. The Director has promulgated regulations at 7 CFR part 8 that govern such use. The regulatory requirements for use of the 4-H Club Name and/or Emblem reflect the high standards of 4-H and its educational goals and objectives. Pursuant to provisions of 7 CFR part 8, anyone requesting authorization from the Director to use the 4-H Club Name and Emblem must describe the proposed use in a formal application. The collection of this information is used to determine whether the applicant's proposed use meets the regulatory requirements in 7 CFR parts 8 and whether an authorization for use should be granted.

The information collected by NIFA will be used to determine if those applying to use the 4-H Name and/or Emblem meet the regulatory requirements. If the information is not collected, it would not be possible to ensure that the products, services, and materials meet the regulatory requirements as well as 4-H educational goals and objectives.
