**Comments:** Comments are invited on: (1) Whether the collection of information is necessary for the proper performance of the functions of the Commission, including whether the information will have practical utility; (2) the accuracy of the agency’s estimate of the burden and cost of the collection of information, including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility and clarity of the information collection; and (4) ways to minimize the burden of the collection of information on those who are to respond, including the use of automated collection techniques or other forms of information technology.

**Dates:** Additional comments may be submitted on or before April 22, 2019.

**Addresses:** Submit your comments, referencing Docket ID No. EPA–HQ–OAR–2007–1121, to (1) EPA online using www.regulations.gov (our preferred method), by email to a-and-rotocumentation@epa.gov, or by mail to: EPA Docket Center, Environmental Protection Agency, Mail Code 28221T, 1200 Pennsylvania Ave. NW, Washington, DC 20460, and (2) OMB via email to oira_submission@omb.eop.gov. Address comments to OMB Desk Officer for EPA.

**EPA’s policy is that all comments received will be included in the public docket without change including any personal information provided, unless the comment includes profanity, threats, information claimed to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute.

**FOR FURTHER INFORMATION CONTACT:** James W. Caldwell, Compliance Division, Office of Transportation and Air Quality, 6405A, Environmental Protection Agency, 1200 Pennsylvania Ave. NW, Washington, DC 20460; telephone number: 202–343–9303; fax number: 202–343–2802; email address: Caldwell.jim@epa.gov.

**SUPPLEMENTARY INFORMATION:** Supporting documents, which explain in detail the information that the EPA will be collecting, are available in the public docket for this ICR. The docket can be viewed online at www.regulations.gov or in person at the EPA Docket Center, WJC West, Room 3334, 1301 Constitution Ave. NW, Washington, DC. The telephone number for the Docket Center is 202–566–1744. For additional information about EPA’s public docket, visit http://www.epa.gov/dockets.

**Abstract:** This ICR renewal is related to EPA’s diesel fuel regulations under 40 CFR part 80, subpart I, applicable to highway (motor vehicle) diesel fuel and non-road, locomotive and marine diesel fuel (NRLM), Emission Control Area (ECA) marine fuel, and heating oil. Most of the information collected under this ICR is used to evaluate compliance with the requirements of the regulations. Motor vehicle diesel fuel and just about all NRLM diesel fuel now meet a 15 part per million sulfur standard. The activities associated with this ICR include: Registration (new refiners and importers, updates to existing registrations); submission of corrections to prior compliance reports; granting of research and development exemptions; generation and retention of quality assurance records; general recordkeeping; batch testing for sulfur content; and the production of product transfer documents and pump labels.

**Form Numbers:**
- DSF0100 Form: Diesel Fuel Sulfur Credit Banking & Generation Report
- DSF0200 Form: Diesel Fuel Sulfur Credit Transfer Report
- ECA0300 Form: ECA Marine Fuel Sulfur Precision Demonstration
- DSF0302 Form: Diesel Fuel Sulfur Facility Summary Report
- DSF0401 Form: Diesel Fuel Sulfur Batch Report
- DSF0504 Form: Designate & Track Handoff Report
- DSF0601 Form: Designate & Track Total Volume Report
- DSF0700 Form: Designate & Track Facility Compliance Calculation Report
- DSE0700 Form: Designate & Track Entity Compliance Calculation Report
- DSE0900 Form: Motor Vehicle Diesel Fuel Sulfur Pre-Compliance Report
- DSF0951 Form: NRLM Diesel Fuel Sulfur Pre-Compliance Report

**Respondents/affected entities: Parties involved with diesel fuels.**

**Respondent’s obligation to respond:** Mandatory.

**Estimated number of respondents:** 7,900 (total).

**Frequency of response:** On occasion.
Total estimated burden: 28,450 hours (per year). Burden is defined at 5 CFR 1320.03(b).
Total estimated cost: $3,300,200 (per year), includes $0 annualized capital or operation & maintenance costs.
Changes in Estimates: There is an increase of 17,372 hours in the total estimated respondent burden compared with the ICR currently approved by OMB. This increase is due to burdens that were not addressed in the current ICR, such as product transfer documents, the testing of each batch of diesel fuel for sulfur content, and labels on pumps that dispense heating oil and certain offroad diesel fuels.

Courtney Kerwin,
Director, Regulatory Support Division.

Supporting documents, which explain in detail the information that the EPA will be collecting, are available in the public docket for this ICR. The docket can be viewed online at www.regulations.gov or in person at the EPA Docket Center, WJC West, Room 3334, 1301 Constitution Ave. NW, Washington, DC. The telephone number for the Docket Center is 202–566–1744. For additional information about the EPA’s public docket, visit http://www.epa.gov/dockets.

Abstract: The Public Water System Supervision (PWSS) Program ICR examines public water system, primacy agency (e.g., states and tribes with primary enforcement authority) and tribal operator certification provider burden, and costs for “cross-cutting” recordkeeping and reporting requirements (i.e., the burden and costs for complying with drinking water information requirements that are not associated with contaminant-specific rulemakings). The following activities have recordkeeping and reporting requirements that are mandatory for compliance with the Code of Federal Regulations (CFR) at 40 CFR parts 141 and 142: The Consumer Confidence Report Rule (CCR), the Variance and Exemption Rule (V/E Rule), General State Primacy Activities, the Public Notification (PN) Rule and Proficiency Testing Studies for Drinking Water Laboratories. The information collection activities for both the Operator Certification and the Capacity Development Program are driven by the grant withholding and reporting provisions under sections 1419 and
