SUPPLEMENTARY INFORMATION:

Executive Orders 12866 and 13771

This proposed rule would not meet the definition of a significant regulatory action contained in section 3(f) of Executive Order 12866 and is not subject to review by the Office of Management and Budget (OMB). Additionally, because this rule would not meet the definition of a significant regulatory action it does not trigger the requirements contained in Executive Order 13771. See OMB's Memorandum titled "Interim Guidance Implementing Section 2 of the Executive Order of January 30, 2017, titled 'Reducing Regulation and Controlling Regulatory Costs'" (February 2, 2017).

Regulatory Flexibility Act

Pursuant to the requirements set forth in the Regulatory Flexibility Act (RFA) [5 U.S.C. 601 *et seq.*], AMS has considered the economic effect of this action on small entities and has determined that this proposed rule would not have a significant economic impact on a substantial number of small business entities. The purpose of RFA is to fit regulatory actions to the scale of businesses subject to such actions in order that small businesses will not be unduly burdened.

AMS has determined that this rule would not have a significant impact on a substantial number of small entities, as defined by RFA, because the services are voluntary and provided on a fee-for-service basis and are not subject to scalability based on the business size.

Approximately 728 applicants subscribe to AMS's voluntary, fee-for-service activities that are subject to these regulations. The U.S. Small Business Administration's Table of Small Business Size Standards Matched to North American Industry

Classification System Codes (NAICS) identifies small business size by average annual receipts or by the average number of employees at a firm. This information can be found in the Code of Federal Regulations (CFR) at 13 CFR parts 121.104, 121.106, and 121.201.

AMS requires that all applicants for service provide information about their company for the purpose of processing bills. Information collected from an applicant includes company name, address, billing address, and similar information. AMS started collecting information about the size of the business in May 2017, but it received the majority of applications prior to May 2017. However, based on working knowledge of these operations, AMS estimates that roughly 25 percent of current applicants may be classified as small entities because they meet the small business requirements of having average annual receipts of \$750,000 for beef and poultry producers and \$15,000,000 for chicken egg producers as set forth in 13 CFR 121's Small Business Size Standards by NAICS Industry table (sectors 31-33, subsector 311—food manufacturing). The effects of this rule are not expected to be disproportionately greater or lesser for small applicants than for larger applicants. As described above, these are voluntary, fee-for-service activities.

AMS is committed to complying with the E-Government Act of 2002 to promote the use of the internet and other information technologies to provide increased opportunities for citizen access to government information and services, and for other purposes.

USDA has not identified any relevant Federal rules that duplicate, overlap, or conflict with this proposed rule.

Executive Order 13175

This action has been reviewed in accordance with the requirements of Executive Order 13175, Consultation and Coordination with Indian Tribal Governments. The review reveals that this proposed regulation would not have substantial and direct effects on Tribal governments and will not have significant Tribal implications.

Executive Order 12988

This proposed rule has been reviewed under Executive Order 12988, Civil Justice Reform. This proposed rule is not intended to have retroactive effect.

The Act prohibits states or political subdivisions of a state to impose any requirement that is in addition to, or inconsistent with, any requirement of the Act. There are no civil justice implications associated with this rule.

Civil Rights Review

AMS has considered the potential civil rights implications of this rule on minorities, women, or persons with disabilities to ensure that no person or group shall be discriminated against on the basis of race, color, national origin, gender, religion, age, disability, sexual orientation, marital or family status, political beliefs, parental status, or protected genetic information. This proposed rule would not require affected entities to relocate or alter their operations in ways that could adversely affect such persons or groups. Further, this proposed rule would not deny any persons or groups the benefits of the program or subject any persons or groups to discrimination.

Executive Order 13132

This proposed rule has been reviewed under Executive Order 13132, Federalism. This Order directs agencies to construe, in regulations and otherwise, a Federal statute to preempt state law only when the statute contains an express preemption provision. There are no federalism implications associated with this proposed rule.

Paperwork Reduction Act

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35), this proposed rule would not change the information collection and recordkeeping requirements previously approved and will not impose additional reporting or recordkeeping burdens on users of these voluntary services.

The information collection and recordkeeping requirements of these parts have been approved by OMB under 44 U.S.C. chapter 35 and have been assigned OMB Control Number 0581-0128.

In September 2014, three separate OMB collections—OMB 0581-0127, OMB 0581-0124, and OMB 0581-0128—were merged, such that the current OMB 0581-0128 pertains to Regulations for Voluntary Grading, Certification, and Standards and includes 7 CFR parts 54, 56, and 70.

Background and Revisions

The Agricultural Marketing Act of 1946, as amended (7 U.S.C. 1621-1627), hereinafter referred to as the “Act,” directs and authorizes the Secretary of Agriculture to facilitate the competitive

and efficient marketing of agricultural products. AMS programs support a strategic marketing perspective that adapts product and marketing decisions to consumer demands, ensures quality, promotes a competitive and efficient domestic and international marketplace, and incorporates new technology. These services include AMS’s grading program, which verifies that product meets USDA grade standards. At the request of the buyer or seller, products are officially graded by USDA allowing product application of the grademark or USDA shield. The grademark or USDA shield indicates that USDA has officially graded the product and it has met all the requirements of the designated quality standard. In addition, AMS provides direct certification of products, that meet end-user specifications, in the facilities that manufacture them. Specifications can be for commodities purchased by USDA for nutrition assistance programs, or to a third-party requirement. Product characteristics such as manner of cut, color, and other attributes can be directly examined by an AMS employee to determine if a specification has been met, and the product can be stamped and marketed as “USDA Certified” or “USDA Accepted as Specified.” This service ensures purchasers receive products that comply with their unique specification requirements. Grading and certification services are voluntary, with users paying for the cost of the requested service.

In 2013, AMS merged the Livestock and Seed Program and Poultry Programs to create the Livestock, Poultry, and Seed (LPS) Program. Prior to the merger, both Programs administered parallel grading and certification services to their respective industries with services provided on a fee-for-service bases. Following the merger, the LPS Program created the Quality Assessment Division (QAD) to oversee grading and certification services carried out by the Grading and Verification Division of the former Livestock and Seed Program and the Grading Branch of the former Poultry Programs. The QAD continues to bill customers with the billing rules specified in the regulations governing the grading of various commodities: 7 CFR 54—Meats, Prepared Meats and Meat Products (Grading, Certification, and Standards); 7 CFR 56—Voluntary Grading of Shell Eggs; and 7 CFR 70—Voluntary Grading of Poultry Products and Rabbit Products.

To improve efficiency and reduce costs, QAD graders are cross-utilized between the commodities. Cross-utilization continues to increase as more customers request services for more

than one commodity. Billing according to two sets of rules (one set of rules for part 54 and one set of rules for parts 56 and 70) is inefficient and causes customer confusion. The proposed amendments would standardize the billing rules, remove customer confusion, and increase efficiency in billing administration by allowing QAD to bill a customer for multiple services and products with one set of rules.

Standardize Language

Proposed amendments would standardize language for providing service under an agreement or on an as-needed basis. Services provided under part 54 currently use the terms “commitment” for services provided under an agreement and “non-commitment” for services provided on an as-needed basis. Services provided under parts 56 and 70 currently use the terms “resident” for services provided under an agreement and “non-resident” for services provided on an as-needed basis. The proposed language for all parts would be “scheduled” for services provided under an agreement and “unscheduled” for services provided on an as-needed basis.

AMS proposes to amend §§ 56.21 and 70.30 (proposed to be redesignated § 70.31) to standardize the application for service language with that found in § 54.6. In addition to language currently in § 54.6, AMS published a proposed rule in the **Federal Register** on February 5, 2019 to amend 7 CFR part 54, AMS-LP-16-0080. The proposed amendments in AMS-LP-16-0080 would add items 5 and 6 to § 54.6 (a). In this proposed rule, AMS proposes to further amend § 54.6(a) by adding a subparagraph after item 6 stating that the applicant agrees to comply with the terms and conditions of the regulations. Proposed standardized language includes the application requirements, items that must be included in the application, and the applicant’s agreement to comply with the terms and conditions of the regulations.

AMS proposes to redesignate §§ 70.30 through 70.37 as §§ 70.29 through 70.36, respectively, and add § 70.37 Types of service. The proposed addition of § 70.37 would clarify and align the services AMS provides with § 56.28.

The proposed amendments would revise §§ 54.28, 56.45, and 70.70 by updating the sections with current language and instructions for payment of services.

Billing of Holidays

Proposed amendments would align holiday billing rules for all services with established policies for employee

premium pay under authority of 5 U.S.C. chapter 55 and 5 CFR part 550. Proposed amendments would revise §§ 54.1, 56.1, and 70.1 by adding the definition of Observed Legal Holidays. The proposed addition of Observed Legal Holidays would establish the “in lieu of holiday” for a holiday that falls on a Saturday or Sunday. Proposed amendments would also charge the holiday rate for hours worked on observed legal holidays.

Currently, services covered under part 54 are billed the holiday rate only on the actual holiday when worked, and if the actual holiday is not worked, no charge is applied. Additionally, holidays that fall on Saturday or Sunday but are observed on a Friday or Monday are billed at the commitment rate, not the holiday rate.

The proposed amendments would revise § 54.27(c) for scheduled and non-scheduled bases to state the holiday hourly rate would be charged for hours worked on observed legal holidays. The impact analysis for services provided under this part would be less than a \$50,000 increase in costs to the meat industry.

The following scenarios demonstrate how billing for hours worked on observed legal holidays would change under the proposed amendments:

Scenario #1

A facility has a commitment agreement for 8 hours of service. Service is provided for 4 hours on a Friday, which is the observed legal holiday for an actual holiday that falls on Saturday.

- *Currently:* The facility is charged the commitment rate for 8 hours on the agreement.

- *Proposed:* The facility is charged the holiday rate for the 4 hours worked.

Scenario #2

A facility requests 8 hours of service (non-commitment) on a Friday, which is the observed legal holiday for an actual holiday that falls on Saturday.

- *Currently:* The facility is charged the non-commitment rate for 8 hours.

- *Proposed:* The facility is charged the non-commitment holiday rate for 8 hours.

Currently, services covered under parts 56 and 70 are billed the regular rate on the holiday even if the holiday is not worked, the holiday rate when service is provided on the grader's scheduled holiday,¹ and the overtime rate when service is provided on a

holiday in excess of the hours stated on the agreement.

The proposed amendments would revise §§ 56.46, 56.52, 70.71, and 70.77 to state that the holiday hourly rate would be charged for hours worked on observed legal holidays. The impact for services provided under these parts would be minimal and to the benefit of the applicant in most cases. Impact analysis shows an average cost savings of \$2,200 annually per applicant.

The following scenarios demonstrate how billing for hours worked on observed legal holidays would change under the proposed amendments:

Scenario #1

—A facility has a resident agreement for providing service Monday–Friday, 8 hours each day. The actual holiday is a Monday and no service provided.

- *Currently:* The facility is charged the resident regular rate for 8 hours on the agreement.

- *Proposed:* The facility will not be charged.

Scenario #2

—A facility has a resident agreement for providing service Monday–Friday, 8 hours each day. Service is provided on Monday, which is the observed legal holiday for an actual holiday that falls on Sunday.

- *Currently:* The facility is charged the resident regular rate for 8 hours on the agreement. The facility is charged the holiday rate if the grader claims it is his/her actual or in lieu of holiday worked.

- *Proposed:* The facility will only be charged the holiday rate.

Scenario #3

—A facility has a resident agreement for providing service Monday–Friday, 8 hours each day. Service is provided for 10 hours on Monday, which is the observed legal holiday for an actual holiday that falls on Sunday.

- *Currently:* The facility is charged the resident regular rate for 8 hours on the agreement. The facility is charged the holiday rate if the grader claims it is his/her actual or in lieu of holiday worked, plus the overtime rate for 2 hours.

- *Proposed:* The facility will be charged the holiday rate for 10 hours.

AMS proposes to further clarify and align rates charged for services. Proposed amendments would update §§ 54.27, 56.46, 56.52, 70.71, and 70.77 and include the specific rates charged to plants for scheduled and unscheduled services.

Billing Excessive Hours Over and Above Agreement Hours

AMS proposes to align billing rates for services provided over and above agreement hours and following a reasonable amount of billed overtime. Currently services under part 54 are charged the non-commitment rate while services provided under parts 56 and 70 are charged the resident overtime rate for hours in excess of their agreement. AMS proposes to align all services and use the unscheduled rate (the current non-commitment or fee rate) when services are provided over and above their agreement and following a reasonable amount of billed overtime. This amendment would affect only services provided under parts 56 and 70 and cause a higher rate to be charged to applicants who request additional staffing outside of the scheduled shifts for which AMS agreed to provide service. Impact analysis shows an average cost increase of \$3,700 annually for applicants that request additional graders.

The following scenarios demonstrate how billing for additional staffing outside the agreed-upon scheduled shifts would change under the proposed amendments:

Scenario #1

—A facility has an agreement for providing service Monday–Friday, 8 hours each day. The facility uses service for 10 hours on Monday, Wednesday, and Friday and requests service to be provided for 6 hours on Saturday.

- *Currently:* The facility is charged the overtime rate for 12 hours (service provided Monday, Wednesday, and Friday for 2 hours each day above the agreement, plus 6 hours on Saturday).

- *Proposed:* The facility will be charged the overtime rate for 6 hours (service provided Monday, Wednesday, and Friday for 2 hours each day above the agreement) and the unscheduled rate for 6 hours of service provided on Saturday.

Scenario #2

—A facility has an agreement for providing service Monday–Friday, 8 hours each day, 1st shift. The facility requests additional service to be provided for Monday–Friday, 8 hours each day on 2nd shift for four weeks.

- *Currently:* The facility is charged the overtime rate for all additional hours of service provided.

- *Proposed:* The facility will be charged the unscheduled rate for all hours of service provided on the 2nd shift.

¹ If the grader's scheduled day off falls on a legal holiday, the grader's holiday moves to the preceding or following day (thus becoming his or her scheduled holiday).

Scenario #3

—A facility has an agreement for providing service Monday–Friday, 8 hours each day. Through the holidays, the facility requests an additional grader to provide service for Monday–Friday, 8 hours each day.

○ *Currently*: The facility is charged the overtime rate for all hours of service provided by the additional grader.

○ *Proposed*: The facility will be charged the unscheduled rate for all hours of service provided by the additional grader.

Remove Administrative Volume Charge

Poultry and shell egg services provided under parts 56 and 70 are billed an administrative volume charge in addition to the hourly rates assessed for providing service. This charge was established to cover overhead costs associated with grading and certification services. In 2014, AMS incorporated new formulas for establishing yearly fee rates into all grading regulations; these new formulas do not include the administrative volume charge, nor do they allow for an increase to the administrative rate. The administrative volume charge was last increased in 2009, and it does not adequately cover overhead costs associated with these voluntary services. The proposed amendments would remove the administrative volume charge altogether from §§ 56.52(a)(4) and 70.77(a)(4) and (5) and would allow QAD to charge hourly rates that encompass all costs for providing service. This amendment would affect only services provided under parts 56 and 70. QAD estimates that plants with a single or double shift scheduled (40 or 80 hours) would see a minor cost savings of \$7,500 annually from the removal of the administrative charge and the creation of the new hourly rates, while plants with four shifts scheduled (160 hours) will see an increase of \$32,000 annually.

A minimum charge of one-half hour shall be made for service pursuant to each request notwithstanding that the time required to perform service may be less than 30 minutes. Charges to plants are as follows:

(i) The regular hourly rate will be charged for the first 8 hours worked per grader per day for all days except observed legal holidays.

(ii) The overtime rate will be charged for hours worked in excess of 8 hours per grader per day for all days except observed legal holidays.

Any change in such status, at any time while service is being received, shall be promptly reported by the person receiving the service to the grading office designated by the Director or Chief to process such requests.

(b) *Notice of eligibility for service.* The applicant will be notified whether the application is approved or denied.

■ 9. Revise § 56.28 to read as follows:

§ 56.28 Types of service.

(a) *Noncontinuous grading service.* Service is performed on an unscheduled basis, with no scheduled tour of duty, and when an applicant requests grading of a particular lot of shell eggs. Charges or fees are based on the time, travel, and expenses needed to perform the work. This service may be referred to as

unscheduled grading service. Shell eggs graded under unscheduled grading service are not eligible to be identified with the official grademarks shown in § 56.36.

(b) *Continuous grading service on a scheduled basis.* Service on a scheduled basis has a scheduled tour of duty and is performed when an applicant requests that a USDA licensed grader be stationed in the applicant’s processing plant and grade shell eggs in accordance with U.S. Standards. The applicant agrees to comply with the facility, operating, and sanitary requirements of scheduled service. Minimum fees for service performed under a scheduled agreement will be based on the hours of the regular tour of duty. Shell eggs graded under scheduled grading service are eligible to be identified with the official grademarks shown in § 56.36 only when processed and graded under the supervision of a grader or quality assurance inspector as provided in § 56.39.

(c) *Temporary grading service.* Service is performed when an applicant requests an official plant number with service provided on an unscheduled basis. The applicant must meet all facility, operating, and sanitary requirements of continuous service. Charges or fees are based on the time and expenses needed to perform the work. Shell eggs graded under temporary grading service are eligible to be identified with the official grademarks only when they are processed and graded under the supervision of a grader or quality assurance inspector as provided in § 56.39.

■ 10. Amend § 56.45 by revising paragraphs (a) and (b) to read as follows:

§ 56.45 Payment of fees and charges.

(a) Fees and charges for any grading service must be paid by the interested party making the application for such grading service, in accordance with the applicable provisions of this section and §§ 56.46 to 56.53, inclusive.

(b) Fees and charges for any grading service shall, unless otherwise required pursuant to paragraph (c) of this section, be paid by check, electronic funds transfer, draft, or money order made payable to the National Finance Center. Payment for the service must be made in accordance with directions on the billing statement, and such fees and charges must be paid in advance if required by the official grader or other authorized official.

* * * * *

■ 11. Amend § 56.46 by revising the section heading, and paragraphs (a)

introductory text and (c) to read as follows:

§ 56.46 Charges for service on an unscheduled basis.

(a) Unless otherwise provided in this part, the fees to be charged and collected for any service performed, in accordance with this part, on an unscheduled basis shall be based on the applicable formulas specified in this section. For each calendar year or crop year, AMS will calculate the rate for grading services, per hour per program employee using the following formulas:

* * * * *

(c) Fees for unscheduled grading services will be based on the time required to perform the services. The hourly charges shall include the time actually required to perform the grading, waiting time, travel time, and any clerical costs involved in issuing a certificate. Charges to plants are as follows:

(1) The regular hourly rate shall be charged for the first 8 hours worked per grader per day for all days except observed legal holidays.

(2) The overtime rate shall be charged for hours worked in excess of 8 hours per grader per day for all days except observed legal holidays.

(3) The holiday hourly rate will be charged for hours worked on observed legal holidays.

* * * * *

■ 12. Revise § 56.47 to read as follows:

§ 56.47 Fees for appeal grading or review of a grader's decision.

The costs of an appeal grading or review of a grader's decision shall be borne by the appellant on an unscheduled basis at rates set forth in § 56.46, plus any travel and additional expenses. If the appeal grading or review of a grader's decision discloses that a material error was made in the original determination, no fee or expenses will be charged.

■ 13. Amend § 56.52 by revising the section heading, introductory text, and paragraph (a) to read as follows:

§ 56.52 Charges for services on a scheduled basis.

Fees to be charged and collected for any grading service, other than for an appeal grading, on a scheduled grading basis, will be determined based on the formulas in this part. The fees to be charged for any appeal grading shall be as provided in § 56.47.

SUPPLEMENTARY INFORMATION:

Background and Explanation of Provisions

This notice of proposed rulemaking contains amendments to the Income Tax Regulations (26 CFR part 1) under section 337(d) of the Internal Revenue Code (Code) set forth in § 1.337(d)-3 (final regulations) that prevent a corporate partner from using a partnership to avoid recognition of corporate-level gain. The final regulations largely adopted proposed regulations (REG-149518-03) published in the *Federal Register* (80 FR 33451) on June 12, 2015 (2015 regulations) with minor, nonsubstantive clarifying changes in response to requests for

further certainty in the single comment letter received on the proposed regulations. See the Explanation of Provisions section of the preamble to TD 9833 (83 FR 26580 (June 8, 2018)) for a detailed discussion of each of the specific points raised in the comment letter received on the 2015 regulations.

The rules set forth in this notice of proposed rulemaking contain substantive modifications to the final regulations relating to the definition of Stock of the Corporate Partner. Accordingly, the Treasury Department and the IRS determined it appropriate to publish these modifications in the form of new proposed regulations to afford the public the opportunity to submit additional comments.

1. Stock of the Corporate Partner: Attribution

The final regulations apply to certain partnerships that hold stock of a Corporate Partner. For this purpose, a *Corporate Partner* is defined as a person that holds or acquires an interest in a partnership and that is classified as a corporation for federal income tax purposes. The final regulations define *Stock of the Corporate Partner* expansively to include stock and other equity interests, including warrants, other options, and similar interests, either in the Corporate Partner or in a corporation (referred to in this Background and Explanation of Provisions section as a Controlling Corporation) that controls the Corporate Partner within the meaning of section 304(c), except that section 318(a)(1) and (3) would not apply. Stock of the Corporate Partner also includes an interest in any entity to the extent that the value of the interest is attributable to Stock of the Corporate Partner.

The final regulations adopted a definition of Stock of the Corporate Partner that was modified as compared to the definition in the regulations that the Treasury Department and the IRS proposed on December 15, 1992 (PS-91-90, REG-208989-90, 1993-1 CB 919) (1992 proposed regulations). The final regulations broadened the definition of Stock of the Corporate Partner with respect to the relationship needed for a Controlling Corporation to be treated as controlling the Corporate Partner (using a modified section 304(c) standard instead of section 1504(a)) but also narrowed the definition, generally excluding sister corporations and subsidiary corporations of the Corporate Partner from being treated as Controlling Corporations.

More specifically, the final regulations define Stock of a Corporate Partner by including stock and other
