[Docket Number USCG–2019–0149]

RIN 1625–AA87

Security Zone; Corpus Christi Ship Channel, Corpus Christi, TX

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing fixed and moving security zones around the Motor Vessel (M/V) ARC ENDURANCE. The security zone encompasses all navigable waters within a 500-yard radius around the M/V ARC ENDURANCE. The zone is needed to protect the vessel while transiting the Corpus Christi Ship Channel in Corpus Christi, TX with military cargo onboard. Entry of vessels or persons into this zone is prohibited unless specifically authorized by the Captain of the Port Sector Corpus Christi (COTP) or a designated representative.

DATES: This rule is effective without actual notice from 9 a.m. until midnight on March 25, 2019. For the purposes of enforcement, actual notice will be used from March 18, 2019 until 9 a.m. on March 25, 2019.

I. Table of Abbreviations

CFR Code of Federal Regulations
COTP Captain of the Port Sector Corpus Christi
DHS Department of Homeland Security
FR Federal Register
NPRM Notice of proposed rulemaking
§ Section
U.S.C. United States Code

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(3)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it is impracticable. We must establish this security zone by March 18, 2019 and lack sufficient time to provide a reasonable comment period and then

consider those comments before issuing the rule.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be contrary to the public interest because immediate action is needed to provide for the security of the vessel.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034. The Captain of the Port Sector Corpus Christi (COTP) has determined that potential hazards associated with the transit and of the Motor Vessel (M/V) ARC ENDURANCE when loaded with military cargo between the dates of March 18, 2019 through March 25, 2019, will be a security concern within a 500-yard radius of the vessel. This rule is needed to protect the vessel while the vessel is transiting within Corpus Christi, TX.

IV. Discussion of the Rule

This rule establishes a temporary fixed and moving security zone from time of first arrival and last departure of M/V ARC ENDURANCE while transiting within the Corpus Christi Ship Channel between the dates of March 18, 2019 through March 25, 2019. The fixed and moving security zone will cover all navigable waters within a 500-yard radius of the M/V ARC ENDURANCE while transiting while loaded with military cargo through the Corpus Christi Ship Channel. The duration of the zone is intended to protect military cargo while the vessel is in transit. No vessel or person will be permitted to enter the security zone without

obtaining permission from the COTP or a designated representative.

Entry into this fixed and moving security zone is prohibited unless authorized by the COTP or a designated representative. A designated representative is a commissioned, warrant, or petty officer of the U.S. Coast Guard assigned to units under the operational control of USCG Sector Corpus Christi. Persons or vessels desiring to enter or pass through the zone must request permission from the COTP or a designated representative on VHF-FM channel 16 or by telephone at 361-939-0450. If permission is granted, all persons and vessels shall comply with the instructions of the COTP or designated representative. The COTP or a designated representative will inform the public through Broadcast Notices to Mariners (BNMs), Local Notices to Mariners (LNMs), and/or Marine Safety Information Bulletins (MSIBs) as appropriate of the enforcement times and dates for this security zone.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13771 directs agencies to control regulatory costs through a budgeting process. This rule has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB), and pursuant to OMB guidance it is exempt from the requirements of Executive Order 13771.

This regulatory action determination is based on the size, duration, and location of the security zone. This rule will impact a small designated area of the Corpus Christi Ship Channel during the vessel’s transit while loaded with cargo over an eight-day period. Moreover, the Coast Guard will issue BNMs via VHF-FM marine channel 16 about the zone and the rule allows vessels to seek permission to enter the zone.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the temporary fixed and moving security zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888-REG-FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and

the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section above.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a fixed and moving security zone lasting for the duration of time that any of the vessels are within the Corpus Christi Ship Channel that will prohibit entry within 500 yard radius of M/V ARC ENDURANCE while transiting within Corpus Christi whilst loaded with military cargo. It is categorically excluded from further review under paragraph L60(a) of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 01. A Record of Environmental Consideration supporting this determination is available in the docket where indicated under **ADDRESSES**.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

Reef Fish Fishery of the Gulf of Mexico; 2019 Recreational Accountability Measure and Closure for Gulf of Mexico Greater Amberjack

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Temporary rule; closure.

SUMMARY: NMFS implements an accountability measure (AM) for the greater amberjack recreational sector in the exclusive economic zone (EEZ) of the Gulf of Mexico (Gulf) for the 2018–2019 fishing year through this temporary rule. NMFS has determined that for the 2018–2019 fishing year, the recreational annual catch target (ACT) for Gulf greater amberjack has been met; therefore, the greater amberjack recreational season in the Gulf EEZ will not re-open on May 1, 2019, and will remain closed for the remainder of the current fishing year. This closure is necessary to protect the Gulf greater amberjack resource.

DATES: This rule is effective from 12:01 a.m., local time, May 1, 2019, until 12:01 a.m., local time, on August 1, 2019.

FOR FURTHER INFORMATION CONTACT: Lauren Waters, NMFS Southeast Regional Office, telephone: 727–824–5305, email: lauren.waters@noaa.gov.

SUPPLEMENTARY INFORMATION: NMFS manages the Gulf reef fish fishery, which includes greater amberjack, under the Fishery Management Plan for the Reef Fish Resources of the Gulf (FMP). The FMP was prepared by the Gulf of Mexico Fishery Management Council (Council) and is implemented by NMFS under the authority of the Magnuson-Stevens Fishery Conservation and Management Act (Magnuson-Stevens Act) through regulations at 50 CFR part 622. All greater amberjack weights discussed in this temporary rule are in round weight.

The recreational fishing year for Gulf greater amberjack is August 1 through July 31 each year. The 2018–2019 recreational ACL for Gulf greater amberjack specified in 50 CFR 622.41(a)(2)(iii) is 1,086,970 lb (493,041 kg), and the recreational ACT specified
