Special Local Regulation; Monongahela, Allegheny, and Ohio Rivers, Pittsburgh Pennsylvania

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

This action is necessary to ensure safety of life on these navigable waters during the weekend of the Garth Brooks concert at Heinz Field. Persons and vessels are prohibited from loitering, anchoring, stopping, mooring, remaining, or drifting in any manner that impedes safe passage of another vessel to any launching ramp, marina, or fleeting area unless authorized by the Captain of the Port Marine Safety Unit Pittsburgh or a designated representative. In addition, persons and vessels are prohibited from loitering, anchoring, stopping, or drifting more than 100 feet from any riverbank unless authorized by the Captain of the Port Marine Safety Unit Pittsburgh or a designated representative.

DATES: This rule is effective from 4 p.m. on May 17, 2019 through 3 p.m. on May 19, 2019.

II. Background Information and Regulatory History

On March 12, 2019, Heinz Field notified the Coast Guard that it would be holding a concert from 5 p.m. to 11 p.m. on May 18, 2019. Heinz Field is located in close proximity to the banks of the Ohio and Allegheny Rivers, which are high vessel traffic areas used by both commercial and recreational vessels. Due to the proximity of Heinz Field to these waterways, it will be a destination for many recreational vessels to anchor and loiter throughout the concert weekend of May 17, 2019 to May 19, 2019.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be contrary to the public interest because immediate action is needed to respond to the potential safety concerns and hazards that could occur in this area during the concert.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70041(a). The COTP has determined that this special local regulation is necessary to maintain an open navigation channel and ensure the safety of vessels on these navigable waters during the concert weekend. Risk of collisions near Heinz Field is a safety concern for any vessel loitering, anchoring, stopping, or drifting more than 100 feet from a riverbank or in a manner that impedes the passage of another vessel to any launching ramp, marina, or fleeting area. The purpose of this rulemaking is to ensure the safety of vessels on the navigable waters adjacent to Heinz Field along the Allegheny, Monongahela, and Ohio Rivers before, during, and after the Garth Brooks concert weekend.
