

for approval. To comply with this requirement, the OCC is publishing notice of the extension of the collection of information set forth in this document.

Title: Disclosure and Reporting of CRA-Related Agreements.

OMB Control No.: 1557–0219.

Description: National banks, federal savings associations, and their affiliates occasionally enter into agreements with nongovernmental entities or persons (NGEPs) that are related to their Community Reinvestment Act (CRA) responsibilities. Section 48 of the Federal Deposit Insurance Act (FDI Act)² requires disclosure of certain of these agreements and imposes related reporting requirements on insured depository institutions (IDIs), their affiliates, and NGEPs. As mandated by the FDI Act, the OCC, the Federal Deposit Insurance Corporation, and the Board of Governors of the Federal Reserve System issued regulations to implement these disclosure and reporting requirements. The disclosure and reporting provisions of these regulations constitute collections of information under the PRA. The regulation issued by the OCC is codified at 12 CFR 35 and is known as the “CRA Sunshine” regulation.

Section 48 of the FDI Act applies to written agreements that: (1) Are made in fulfillment of the CRA; (2) involve funds or other resources of an IDI or affiliate with an aggregate value of more than \$10,000 in a year or loans with an aggregate principal value of more than \$50,000 in a year;³ and (3) are entered into by an IDI or affiliate and an NGEP.⁴

Under section 48, the parties to a covered agreement must make the agreement available to the public and the appropriate agency.⁵ This section also requires the parties to file a report annually with the appropriate agency concerning the disbursement, receipt, and use of funds or other resources under the agreement.⁶ The collections of information in CRA Sunshine regulation implement these statutorily mandated disclosure and reporting requirements. The parties to the agreement may request confidential treatment of proprietary and confidential information in an agreement or annual report and may withhold from public

disclosure confidential or proprietary information in an agreement.⁷

The information collections are found in 12 CFR 35.4(b); 35.6; and 35.7 and they require:

- IDIs or affiliates to notify NGEPs that are parties to certain agreements that these are agreements with a CRA affiliate;
- NGEPs and IDIs or their affiliates to make a copy of a covered agreement available to any individual or entity upon request;
- NGEPs to provide a copy of the covered agreement within 30 days of receiving a request from the relevant supervisory agency;
- Each IDI and affiliate to provide each relevant supervisory agency with a copy of each covered agreement or a list of all covered agreements entered into during the calendar quarter, within 60 days of the end of each calendar quarter;⁸ and

- Annual reporting.

Type of Review: Extension of a currently approved collection.

Affected Public: Individuals; Businesses or other for-profit.

Estimated Number of Respondents: 13 (7 IDIs; 6 NGEPs).

Number of Agreements: 237.

Number of Annual Reports: 9.

Estimated Total Annual Burden: 527.

Comments submitted in response to this notice will be summarized, included in the request for OMB approval, and will become a matter of public record. Comments are invited on:

(a) Whether the collection of information is necessary for the proper performance of the functions of the OCC, including whether the information has practical utility;

(b) The accuracy of the OCC’s estimate of the information collection burden;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected;

(d) Ways to minimize the burden of the collection on respondents, including through the use of automated collection techniques or other forms of information technology; and

(e) Estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.

Title: Fiduciary Activities.

OMB Control No.: 1557-0140.

Description: The OCC regulates the fiduciary activities of national banks and federal savings associations (FSAs), including the administration of collective investment funds (CIFs), pursuant to 12 U.S.C. 92a and 12 U.S.C. 1464(n), respectively. Twelve CFR part 9 contains the regulations that national banks must follow when conducting fiduciary activities, and 12 CFR part 150 contains the regulations that FSAs must follow when conducting fiduciary activities. Regulations adopted by the former Office of Thrift Supervision, now recodified as OCC rules pursuant to title III of the Dodd-Frank Wall Street Reform and Consumer Protection Act,² have long required FSAs to comply with the requirements of the OCC's CIF regulation.³ Thus, 12 CFR 9.18 governs CIFs managed by both national banks and FSAs.

Twelve CFR part 9 and 150.410-150.430 require that national banks and FSAs document the establishment and termination of each fiduciary account and maintain adequate records. Records must be retained for a period of three years from the later of the termination of the account or the termination of any litigation. The records must be separate and distinct from other records of the institution.

Twelve CFR 9.9 and 12 CFR 150.480 require national banks and FSAs to note the results of any audit conducted (including significant actions taken as a result of the audit) in the minutes of the board of directors. National banks and FSAs that adopt a continuous audit system must note the results of all discrete audits performed since the last audit report (including significant actions taken as a result of the audits) in the minutes of the board of directors at least once during each calendar year.

Twelve CFR 9.17(a) and 150.530 require that a national bank or FSA seeking to surrender its fiduciary powers file with the OCC a certified copy of the resolution of its board of directors evidencing that intent.

Twelve CFR 9.18(b)(1) (and 12 CFR 150.260 by cross-reference) require national banks and FSAs to establish and maintain each CIF in accordance with a written plan approved by the board of directors or a committee

authorized by the board. The plan must include provisions relating to:

- Investment powers and policies with respect to the fund;
- Allocation of income, profits, and losses;
- Fees and expenses that will be charged to the fund and to participating accounts;
- Terms and conditions regarding admission and withdrawal of participating accounts;
- Audits of participating accounts;
- Basis and method of valuing assets in the fund;
- Expected frequency for income distribution to participating accounts;
- Minimum frequency for valuation of fund assets;
- Amount of time following a valuation date during which the valuation must be made;
- Bases upon which the institution may terminate the fund; and
- Any other matters necessary to define clearly the rights of participating accounts.

Twelve CFR 9.18(b)(1) (and 150.260 by cross-reference) require that national banks and FSAs make a copy of any CIF plan available for public inspection at their main offices and provide a copy of the plan to any person who requests it.

Twelve CFR 9.18(b)(4)(iii)(E) (and 150.260 by cross-reference) require that national banks and FSAs adopt portfolio and issuer qualitative standards and concentration restrictions for short-term investment funds (STIFs), a type of CIF.

Twelve CFR 9.18(b)(4)(iii)(F) (and 150.260 by cross-reference) require that national banks and FSAs adopt liquidity standards and include provisions that address contingency funding needs for STIFs.

Twelve CFR 9.18(b)(4)(iii)(G) (and 150.260 by cross-reference) require that national banks and FSAs adopt shadow pricing procedures for STIFs that calculate the extent of difference, if any, of the mark-to-market net asset value per participating interest from the STIF's amortized cost per participating interest, and to take certain actions if that difference exceeds \$0.005 per participating interest.

Twelve CFR 9.18(b)(4)(iii)(H) (and 150.260 by cross-reference) require that national banks and FSAs adopt, for STIFs, procedures for stress testing the STIF's ability to maintain a stable net asset value per participating interest and provide for reporting the results.

Twelve CFR 9.18(b)(4)(iii)(I) (and 150.260 by cross-reference) require that national banks and FSAs adopt, for STIFs, procedures that require a national bank or FSA to disclose to the OCC and to STIF participants within

five business days after each calendar month-end the following information about the fund: Total assets under management; net-to-market and amortized cost net asset values; dollar-weighted average portfolio maturity; dollar-weighted average portfolio life maturity as of the last business day of the prior calendar month; and certain other security-level information for each security held.

Twelve CFR 9.18(b)(4)(iii)(J) (and 150.260 by cross-reference) require that national banks and FSAs adopt, for STIFs, procedures that require a national bank or FSA that manages a STIF to notify the OCC prior to or within one business day thereafter of certain events.

Twelve CFR 9.18(b)(4)(iii)(K) (and 150.260 by cross-reference) require that national banks and FSAs adopt, for STIFs, certain procedures in the event that the STIF has repriced its net asset value below \$0.995 per participating interest.

Twelve CFR 9.18(b)(4)(iii)(L) (and 150.260 by cross-reference) require that national banks and FSAs adopt, for STIFs, procedures for initiating liquidation of a STIF upon the suspension or limitation of withdrawals as a result of redemptions.

Twelve CFR 9.18(b)(6)(ii) (and 150.260 by cross-reference) require, for CIFs, that national banks and FSAs, at least once during each 12-month period, prepare a financial report of the fund based on the audit required by 12 CFR 9.18(b)(6)(i). The report must disclose the fund's fees and expenses in a manner consistent with applicable state law in the state in which the national bank or FSA maintains the fund and must contain:

- A list of investments in the fund showing the cost and current market value of each investment;
- A statement covering the period after the previous report showing the following (organized by type of investment):
 - A summary of purchases (with costs);
 - A summary of sales (with profit or loss and any investment change);
 - Income and disbursements; and
 - An appropriate notation of any investments in default.

Twelve CFR 9.18(b)(6)(iv) (and 150.260 by cross-reference) require that a national bank or FSA managing a CIF provide a copy of the financial report, or provide notice that a copy of the report is available upon request without charge, to each person who ordinarily would receive a regular periodic accounting with respect to each participating account. The national bank

or FSA may provide a copy to prospective customers. In addition, the national bank or FSA must provide a copy of the report upon request to any person for a reasonable charge.

Twelve CFR 9.18(c)(5) (and 150.260 by cross-reference) require that, for special exemption CIFs, national banks and FSAs must submit to the OCC a written plan that sets forth:

- The reason the proposed fund requires a special exemption;
- The provisions of the fund that are inconsistent with 12 CFR 9.18(a) and (b);
- The provisions of 12 CFR 9.18(b) for which the national bank or FSA seeks an exemption; and
- The manner in which the proposed fund addresses the rights and interests of participating accounts.

Type of Review: Extension without change of an approved information collection.

Affected Public: Businesses or other for-profit.

Estimated Number of Respondents: 320.

Frequency of Response: On occasion.

Estimated Total Annual Burden: 115,125 hours.

On November 13, 2018, the OCC issued a notice for 60 days of comment regarding the collection, 83 FR 56400. Two comments were received. One comment was from an advocacy group and one was from a trade association.

One commenter requested that the OCC allow flexibility in the timing of a final audit required by § 9.18(b)(6), which requires a national bank administering a CIF to prepare a financial audit of the fund once every 12 months. The commenter specifically recommended that the OCC should allow a bank that is terminating a fund within 15 months after the last audit to wait until the fund has terminated to complete the final audit.

The second commenter proposed the elimination of § 9.9(a) and (b), which require national banks to include in the minutes of the board of directors the results of any audits conducted of a national bank's fiduciary activities (including significant actions taken as a result of the audit). The commenter stated that these § 9.9 requirements are unnecessarily burdensome and overreaching in that they inappropriately prescribe the content and level of detail of information to be included in board minutes and presuppose that the board of directors should discuss the results of every audit conducted pursuant to part 9, regardless of the materiality of the audit to the bank.

In response to both comments, the OCC notes that the OCC cannot revise or rescind regulations through the PRA renewal process. The OCC also notes that in 2015, as part of the OCC's ten-year regulatory review required under section 222 of the Economic Growth and Regulatory Paperwork Reduction Act ("EGRPRA"), the OCC issued notices soliciting comments on all OCC regulations, including 12 CFR part 9.⁴ In response to the relevant OCC notice regarding 12 CFR part 9, the OCC received the same comment regarding § 9.18(b)(6), a recommendation that the OCC allow a national bank that is terminating a fund within 15 months after the most recent audit to wait until the fund has terminated to complete the final audit. The OCC did not agree with the proposed recommendation and did not adopt it in the part 9 rules.⁵ The OCC stated that in many instances, banks should be able to schedule fund terminations to occur at or just prior to the end of a plan year.⁶

The OCC did not receive any comments regarding § 9.9(a) or (b) in response to the OCC EGRPRA notice regarding 12 CFR part 9. The OCC therefore did not rescind or propose any revisions to § 9.9 in connection with the review required under EGRPRA. Given the lack of comments on § 9.9 during the most recent EGRPRA review and the OCC's inability to rescind or revise § 9.9 through this PRA renewal, the OCC has not adopted the proposed recommendation to rescind the board minutes-related requirements in § 9.9(a) and (b).

Comments continue to be invited on:

(a) Whether the collection of information is necessary for the proper performance of the functions of the OCC, including whether the information has practical utility;

(b) The accuracy of the OCC's estimate of the burden of the collection of information;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected;

(d) Ways to minimize the burden of the collection on respondents, including through the use of automated collection techniques or other forms of information technology; and

(e) Estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.
