SUPPLEMENTARY INFORMATION:

Title of Collection: Consumer Response Government and Congressional Portal Boarding Forms.

OMB Control Number: 3170-0057.

Type of Review: Revision of a currently approved collection.

Affected Public: State, Local, and Tribal Governments; Federal Government.

Estimated Number of Respondents: 60.

Estimated Total Annual Burden Hours: 14.

Abstract: Section 1013(b)(3)(A) of the Dodd-Frank Wall Street Reform and Consumer Protection Act (Act) requires the Bureau to “facilitate the centralized collection of, monitoring of, and response to consumer complaints regarding consumer financial products or services.”¹ The Act also requires the Bureau to “share consumer complaint information with prudential regulators, the Federal Trade Commission, other Federal agencies, and State agencies.”²

In furtherance of its statutory mandates related to consumer complaints, the Bureau utilizes Government and Congressional Portal Boarding Forms (Boarding Forms) to register users for access to secure, web-based portals. The Bureau has developed separate portals for congressional users and other government users as part of its secure web portal offerings (the “Government Portal” and the “Congressional Portal,” respectively).³

Request for Comments: The Bureau issued a 60-day **Federal Register** notice on December 17, 2018, 83 FR 64567, Docket Number: CFPB-2018-0040. Comments were solicited and continue to be invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the Bureau, including whether the information will have practical utility; (b) The accuracy of the Bureau’s estimate of the burden of the collection of information, including the

continue to use the 3170-0015 control number for Regulation Z.

¹ Codified at 12 U.S.C. 5493(b)(3)(A).

² Dodd-Frank Act section 1013(b)(3)(D), codified at 12 U.S.C. 5493(b)(3)(D).

³ In addition to the boarding forms for congressional and government users, the Bureau utilizes a separate OMB-approved form to board companies onto their own distinct portal to access complaints submitted against them, through OMB Control No. 3170-0054 (Consumer Complaint Intake System Company Portal Boarding Form Information Collection System; expires July 31, 2018).

³ On March 6, 2019, the Bureau published a notification in the **Federal Register** titled “Technical Specifications for Submissions to the Prepaid Account Agreements Database.” 84 FR 7979 (Mar. 6, 2019) (Technical Specifications). The Technical Specifications relate to a provision in 12 CFR 1005.19, added to Regulation E by the Prepaid Accounts Rule, which requires a prepaid account issuer to make submissions of its currently-offered prepaid account agreements on a rolling basis, in the form and manner specified by the Bureau. While the Technical Specifications do not introduce any new or revised collections of information beyond what is already contemplated

by the Prepaid Accounts Rule, for purposes of the PRA, OMB considers them as instructions for an information collection and, as such, have been included in OMB’s docket for OMB number 3170-0014.

⁴ The Bureau divided certain proposals to amend the Bureau’s Regulation Z into separate ICRs in the OMB system (accessible at www.reginfo.gov) to ease the public’s ability to view and understand the individual proposals. The Bureau anticipates that it will combine OMB Number 3170-0050 into the existing control number for Regulation Z (OMB Number 3170-0015). Bureau respondents should

validity of the methods and the assumptions used; (c) Ways to enhance the quality, utility, and clarity of the information to be collected; and (d) Ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Comments submitted in response to this notice will be reviewed by OMB as part of its review of this request. All comments will become a matter of public record.

Dated: March 26, 2019.

Paperwork Reduction Act Officer, Bureau of Consumer Financial Protection.
