The New River Valley Economic Development Alliance, grantee of FTZ 238, submitted a notification of proposed production activity to the FTZ Board on behalf of EBI, LLC (EBI), located in Danville, Virginia. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on April 1, 2019.

EBI is located within Subzone 238C. The facility is used for production of mattresses and sofas. Pursuant to 15 CFR 400.14(b), FTZ activity would be limited to the specific foreign-status materials and components and specific finished products described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt EBI from customs duty payments on the foreign-status components used in export production. On its domestic sales, for the foreign-status materials/components noted below, EBI would be able to choose the duty rates during customs entry procedures that apply to mattresses, complete sofas, incomplete sofa sections, and sofa cushions (duty-free to 6.0%). EBI would be able to avoid duty on foreign-status components which become scrap/waste. Customs duties also could possibly be deferred or reduced on foreign-status production equipment.

The components and materials sourced from abroad include: Prepared glues and adhesives; polyethylene plastic film; cellular foam cushioning; high resilience polyurethane foam; polyamide/polyethylene sofa cushion bags; medium density fiber boards; non-woven polyester fiber wadding for cushion covers; felt (100% polyester), not impregnated, coated, covered, or laminated; non-woven (100% polypropylene) protective cover used as packing material for shipping; mattress handles (fastener fabric tape), woven, of synthetic fibers; sofa bed box pullout handles of woven polyester; cotton woven mattress covers; synthetic fiber woven mattress covers; non-woven polypropylene dust covers for mattresses; non-woven polypropylene bags; spring mattress cores (inner springs); sofa springs; zinc furniture hinges; zinc furniture clips; zinc furniture fittings; furniture staples of base metal in strips; sofa covers, cut and sewn, used for upholstery (leather; imitation leather; 100% polyester; and, 75% polyester/25% cotton); completed cotton mattress covers; and, upholstered foam seat cushions (duty rate ranges from duty-free to 9.3%). The request indicates that certain materials/components are subject to special duties under Section 301 of the Trade Act of 1974 (Section 301), depending on the country of origin. The applicable Section 301 decisions require subject merchandise to be admitted to FTZs in privileged foreign status (19 CFR 146.41).

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is May 15, 2019.

**SUMMARY:** The Department of Commerce (Commerce) is rescinding the administrative review of the antidumping duty order on seamless refined copper pipe and tube from Mexico for the period November 1, 2017, through October 31, 2018.

**DATES:** Applicable April 5, 2019.

**FOR FURTHER INFORMATION CONTACT:** Dennis McClure, AD/CVD Operations, Office VIII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-5973.

**SUPPLEMENTARY INFORMATION:**

## Background

On November 1, 2018, Commerce published a notice of opportunity to request an administrative review of the antidumping duty order on seamless refined copper pipe and tube from Mexico for the period of review (POR) November 1, 2017, through October 31, 2018.<sup>1</sup>

On November 30, 2018, the Mueller Copper Tube Products, Inc. and Mueller Copper Tube Company, Inc., the petitioners in this proceeding, requested an administrative review of the order of seamless refined copper pipe and tube from Mexico with respect to entries of subject merchandise during the POR.<sup>2</sup> On February 6, 2019, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.221(c)(1)(i), we initiated an administrative review of the order on seamless refined copper pipe and tube from Mexico with respect to: (1) Nacional de Cobre, S.A. de C.V.; (2) IUSA, S.A. de C.V.; and (3) GD Affiliates S. de R.L. de C.V.<sup>3</sup> On March 27, 2019, the petitioners withdrew their request for an administrative review of all three companies listed in the *Initiation Notice*.<sup>4</sup> No other party requested an administrative review of this order.

## Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if a party who requested the review withdraws its request within 90 days of the date of publication of the notice of initiation of the requested review. In this case, the petitioners timely withdrew their request by the 90-day deadline, and no other party requested an administrative review of the antidumping duty order. Therefore, we are rescinding the administrative review of the antidumping duty order on seamless refined copper pipe and tube from Mexico for the period November 1, 2017, through October 31, 2018, in its entirety, in accordance with 19 CFR 351.213(d)(1).

<sup>1</sup> See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation: Opportunity to Request Administrative Review*, 83 FR 54912 (November 1, 2018).

<sup>2</sup> See the petitioner's submission, "Seamless Refined Copper Pipe and Tube from Mexico: Request for Antidumping Duty Administrative Review," dated November 30, 2018.

<sup>3</sup> See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 84 FR 2159 (February 6, 2019) (*Initiation Notice*).

<sup>4</sup> See the petitioner's submission, "Seamless Refined Copper Pipe and Tube from Mexico: Withdrawal of Request for Administrative Review," dated March 27, 2019.

## Assessment

Commerce intends to instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries of seamless refined copper pipe and tube from Mexico during the POR at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 41 days after the publication of this notice in the **Federal Register**.

## Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

## Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(d)(4).
