accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public’s reporting burden. It also helps the public understand the Department’s information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: Application for Native American Career and Technical Education Program.

OMB Control Number: 1830–0542.

Type of Review: An extension of an existing information collection.

Respondents/Affected Public: Private Sector.

Total Estimated Number of Annual Responses: 37.

Total Estimated Number of Annual Burden Hours: 2,827.

Abstract: There is an increase in burden hours because the U.S. Department of Education expects to initiate a new grant competition in 2021.

**ELECTION ASSISTANCE COMMISSION**

**Sunshine Act Meetings**

**ACTION:** Notice of Second Public Hearing on Voluntary Voting System Guidelines 2.0 Principles and Guidelines.

**TIME AND DATE:** The meeting will be held on Wednesday, April 23, 2019, from 3:00 p.m. until 6:00 p.m., MDT.

**PLACE:** Salt Lake Marriott Downtown at City Creek, 75 SW Temple, Salt Lake City, UT 84101. 801–531–0800. The meeting will also be streamed on www.eac.gov.

**STATUS:** This Hearing will be open to the public.

**HEARING AGENDA:** The Commission will conduct a public hearing to receive testimony and public comments on the proposed Voluntary Voting System Guidelines 2.0 Principles and Guidelines (VVSG 2.0). The full hearing agenda will be posted in advance at http://www.eac.gov. Members of the public who wish to speak at the hearing regarding the VVSG 2.0 Principles and Guidelines may send a request to participate to the EAC via email at votingsystemguidelines@eac.gov by 5:00 p.m. EDT Friday, April 19, 2019. Members of the public may also sign up at the public meeting as long as they do so before the public hearing begins. Due to time constraints, the EAC can select no more than ten participants amongst the volunteers who request to participate. The selected volunteers will be allotted five-minutes each to share their viewpoint. Participants will be selected on a first-come, first-served basis. However, to maximize diversity of input, only one participant per organization or entity will be chosen if necessary. Participants may also submit written testimony to be included in the record. All requests must include a description of what will be said, contact information that will be used to notify the requestor with status of request (phone number on which a message may be left or email), and include the subject/attention line (or on the envelope if by mail): Testimony on proposed VVSG 2.0 Principles and Guidelines. Please note that these testimonies will be made available to the public at www.eac.gov. Written testimony from members of the public regarding the proposed VVSG 2.0 Principles and Guidelines will also be accepted. Testimony will be included as part of the written record of the hearing, and it will be available on our website. Written testimony must be submitted before the end of the public hearing and, if by mail, received by 5:00 p.m. EDT on April 19, 2019. Written testimony should be submitted via email at votingsystemguidelines@eac.gov or via mail addressed to the U.S. Election Assistance Commission, 1335 East-West Highway, Suite 3300, Silver Spring, Maryland 20910, or by fax at 301–734–3108. All correspondence that contains written testimony must have in the subject/attention line (or on the envelope if by mail): Written testimony on proposed VVSG 2.0 Principles and Guidelines.

**DEPARTMENT OF ENERGY**

**[FE Docket No. 19–28–LNG]**

Chevron U.S.A. Inc.: Application for Blanket Authorization To Export Previously Imported Liquefied Natural Gas on a Short-Term Basis

**AGENCY:** Office of Fossil Energy, DOE.

**ACTION:** Notice of application.

**SUMMARY:** The Office of Fossil Energy (FE) of the Department of Energy (DOE) gives notice of receipt of an application (Application), filed on March 5, 2019, by Chevron U.S.A. Inc. (Chevron U.S.A.), requesting blanket authorization to export liquefied natural gas (LNG) previously imported into the United States from foreign sources in an amount up to the equivalent of 72 billion cubic feet (Bcf) of natural gas on a short-term or spot market basis for a two-year period commencing on March 29, 2019 or as soon thereafter as the authorization is granted. The LNG would be exported from the Sabine Pass LNG Terminal owned by Sabine Pass LNG, L.P., in Cameron Parish, Louisiana, to any country with the capacity to import LNG via ocean-going carrier and with which trade is not prohibited by U.S. law or policy. Chevron U.S.A. states that it has contracted for 1.0 Bcf/day of terminal capacity from Sabine Pass LNG, L.P., for an initial term of 20 years that will expire June 30, 2029, with the option to extend the term for another 20 years. Chevron U.S.A. states that it does not seek authorization to export domestically-produced natural gas supplies, and notes that it is authorized in DOE/FE Order No. 4208 to import the equivalent of up to 800 Bcf of natural gas from various international sources by vessel for a two-year period beginning on August 1, 2018, and extending through July 31, 2020. The Application was filed under section 3 of the Natural Gas Act (NGA). Additional details can be found in Chevron U.S.A.’s Application, posted on the DOE/FE website at: https://www.energy.gov/sites/prod/files/2019/03//f60/19-28-LNG.pdf.

Public Comment Procedures
In response to this Notice, any person may file a protest, comments, or a motion to intervene or notice of intervention, as applicable. Interested parties will be provided 30 days from the date of publication of this Notice in which to submit comments, protests, motions to intervene, or notices of intervention. Any person wishing to become a party to the proceeding must file a motion to intervene or notice of intervention. The filing of comments or a protest with respect to the Application will not serve to make the commenter or protestant a party to the proceeding, although protests and comments received from persons who are not parties will be considered in determining the appropriate action to be taken on the Application. All protests, comments, motions to intervene, or notices of intervention must meet the requirements specified by the regulations in 10 CFR part 509.

Filings may be submitted using one of the following methods: (1) Emailing the filing to fergas@hq.doe.gov, with FE Docket No. 19–28–LNG in the title line; (2) mailing an original and three paper copies of the filing to the Office of Regulation, Analysis, and Engagement at the address listed in ADDRESSES; or (3) hand delivering an original and three paper copies of the filing to the Office of Regulation, Analysis, and Engagement at the address listed in ADDRESSES. All filings must include a reference to FE Docket No. 19–28–LNG. Please Note: If submitting a filing via email, please include all related documents and attachments (e.g., exhibits) in the original email correspondence. Please do not include any active hyperlinks or password protection in any of the documents or attachments related to the filing. All electronic filings submitted to DOE must follow these guidelines to ensure that all documents are filed in a timely manner. Any hardcopy filing submitted greater in length than 50 pages must also include, at the time of the filing, a digital copy on disk of the entire submission. A decisional record on the Application will be developed through responses to this notice by parties, including the parties’ written comments and replies thereto. Additional procedures will be used as necessary to achieve a complete understanding of the facts and issues. If an additional procedure is scheduled, notice will be provided to all parties. If no party requests additional procedures, a final Opinion and Order may be issued based on the official record, including the Application and responses filed by parties pursuant to this notice, in accordance with 10 CFR 509.316.

The Application is available for inspection and copying in the Office of Regulation, Analysis, and Engagement docket room, Room 3E–042, 1000 Independence Avenue SW, Washington, DC 20585. The docket room is open between the hours of 8:00 a.m. and 4:30 p.m., Monday through Friday, except Federal holidays. The Application and any filed protests, motions to intervene or notice of interventions, and comments will also be available electronically by going to the following DOE/FE Web address: http://www.fe.doe.gov/programs/gasregulation/index.html.

Signed in Washington, DC, on April 4, 2019.

Amy R. Sweeney,
Director, Division of Natural Gas Regulation, Office of Fossil Energy.
