c. Ways to enhance the quality, utility, and clarity of the information to be collected;

d. Ways to minimize the burden of information collection on respondents, including through the use of automated collection techniques or other forms of information technology; and

e. Estimates of capital or startup costs and costs of operation, maintenance, and purchase of services to provide information.

At the end of the comment period, the comments and recommendations received will be analyzed to determine the extent to which the Board should modify the proposal.

Proposal Under OMB Delegated Authority To Extend for Three Years, Without Revision, the Following Information Collection

Report title: Investment in Bank Premises Notification.

Agency form number: FR 4014.

OMB control number: 7100-0139.

Frequency: Event generated.

Respondents: State member banks.

Estimated number of respondents: 15.

Estimated average hours per response: 30 minutes.

Estimated annual burden hours: 8 hours.

General description of report: The Board requires a state member bank to seek the prior approval of the appropriate Federal Reserve Bank before making an investment in bank premises that exceeds certain thresholds. There is no required reporting form (the FR 4014

designation is for internal purposes only), and each request for prior approval must be filed with the Reserve Bank that has direct supervisory responsibility for the requesting state member bank. The Federal Reserve uses the information provided in the notice to supervise state member banks.

Legal authorization and confidentiality: The FR 4014 is authorized by section 24A(a) of the Federal Reserve Act, which requires that state member banks obtain prior Board approval before making an investment in bank premises that exceeds certain statutory thresholds.¹ The FR 4014 notification is required to obtain a benefit because banks wanting to make an investment in bank premises that exceed a certain threshold are required to notify the Federal Reserve. Generally, respondent data would not be confidential; however, individual respondents may request that the data be kept confidential on a case-by-case basis. If a respondent requests confidential treatment, the Board will determine whether the information is entitled to confidential treatment on an ad hoc basis in connection with the request. Any such determination will be made in accordance with the Freedom of Information Act (5 U.S.C. 552) and the Board's rules regarding availability of information (12 CFR 261).

Board of Governors of the Federal Reserve System, April 9, 2019.

Michele Taylor Fennell,

Assistant Secretary of the Board.

FEDERAL TRADE COMMISSION

Granting of Requests for Early Termination of the Waiting Period Under the Premerger Notification Rules

Section 7A of the Clayton Act, 15 U.S.C. 18a, as added by Title II of the Hart-Scott-Rodino Antitrust Improvements Act of 1976, requires persons contemplating certain mergers or acquisitions to give the Federal Trade Commission and the Assistant Attorney General advance notice and to wait designated periods before consummation of such plans. Section 7A(b)(2) of the Act permits the agencies, in individual cases, to terminate this waiting period prior to its expiration and requires that notice of this action be published in the **Federal Register**.

The following transactions were granted early termination—on the dates indicated—of the waiting period provided by law and the premerger notification rules. The listing for each transaction includes the transaction number and the parties to the transaction. The grants were made by the Federal Trade Commission and the Assistant Attorney General for the Antitrust Division of the Department of Justice. Neither agency intends to take any action with respect to these proposed acquisitions during the applicable waiting period.
