SUPPLEMENTARY INFORMATION:

Correction

On April 5, 2019, the Department of Commerce (Commerce) published the partial rescission of the 2017-2018 antidumping duty administrative review of certain new pneumatic off-the-road tires from the People's Republic of

China (China).¹ In that notice, Commerce inadvertently misspelled the name of one of the respondents for which it intended to rescind the review, as Lianzhou Xiongying Industry Co., Ltd.² The correct spelling of the name of the respondent is Laizhou Xiongying Rubber Industry Co., Ltd. Additionally, Commerce stated that the review will continue with respect to Honghua Tyre, Zhongwei, and Super Grip.³ However, Commerce clarifies that Super Grip is a U.S. importer that requested review of Zhongwei and is not under review in the underlying proceeding.⁴

This correction to the *Partial Rescission* is published in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended.

Dated: April 9, 2019.

Gary Taverman,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.

SUPPLEMENTARY INFORMATION:

Background

Commerce is conducting an administrative review of the antidumping duty (AD) order on certain crystalline silicon photovoltaic products (solar products) from Taiwan, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act). On April 16, 2018, based on timely requests for review, Commerce published a notice initiating an AD administrative review of solar products from Taiwan covering 31 companies for the POR.¹ On October 16, 2018, Commerce partially extended the preliminary results of this administrative review by 90 days until January 29, 2019. However, Commerce exercised its discretion to toll all deadlines affected by the partial federal government closure from December 22, 2018, through the resumption of operations on January 28, 2019, resulting in a revised deadline of March 11, 2019.² On February 28, 2019, Commerce fully extended the preliminary results of this administrative review by an additional 30 days until April 9, 2019.³ For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.

Export price is calculated in accordance with section 772 of the Act. NV is calculated in accordance with section 773 of the Act. For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. A list of topics included in the Preliminary Decision Memorandum is included as an Appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS).
