Privacy Act of 1974; System of Records

AGENCY: Office of Secretary of Defense, DoD.

ACTION: Notice of a modified system of records.

SUMMARY: The Office of the Secretary of Defense proposes to modify the system of records, Defense Manpower Data Center Data Base, DMDC 01, by amending Routine Use 15 regarding disclosures to the Department of Education (ED) to accommodate disclosures for a new computer matching agreement with the ED. This new matching agreement with ED ensures that service members who have received imminent danger pay (IDP) or hostile fire pay (HFP) benefits and who have student loans under Part D, Title IV of the Higher Education Act of 1965 (HEA), as amended, receive the no interest accrual benefit on their eligible loans during the period of time they received IDP or HFP pay. The system of records, DMDC 01, contains personnel, employment, and pay data on current

and former military and civilian personnel and survivors and dependents of military personnel. System data is used to conduct computer matches with various agencies in accordance with the Computer Matching and Privacy Protection Act of 1988. The proposed modification to the routine use will enable the computer match with the ED.

DATES: Comments will be accepted on or before May 16, 2019. This proposed action will be effective on the date following the end of the comment period unless comments are received which result in a contrary determination.

ADDRESSES: You may submit comments, identified by docket number and title, by any of the following methods:

The proposed systems reports, as required by the Privacy Act, as amended, were submitted on March 6,

2019, to the House Committee on Oversight and Government Reform, the Senate Committee on Homeland Security and Governmental Affairs, and the Office of Management and Budget (OMB) pursuant to Section 6 of OMB Circular No. A-108, "Federal Agency Responsibilities for Review, Reporting, and Publication under the Privacy Act," revised December 23, 2016 (December 23, 2016, 81 FR 94424).
