SUPPLEMENTARY INFORMATION:

Title: An Analysis of the Use of Waiver Valuations by Federal, State and Local Public Agencies (LPAs): Identifying and Measuring Outcomes That Could Further Streamline Project Delivery.

Background: Waiver valuation is a key component of the "Right-of-Way Flexibilities" that were an FHWA Every Day Counts (EDC) initiative. This research will provide a detailed analysis of the current state of the waiver valuation program nationwide. It will identify issues, practices, or misinformation/misunderstanding that limit the implementation of the waiver valuation program and reduce its ability to streamline processes. The research will document the steps that are taken to improve implementation of waivers and enhance savings of administrative costs. The research also will identify additional opportunities for improving the existing processes/practices for waiver valuations that can provide significant savings in time and money and provide greater flexibility to acquiring agencies in delivery of their overall right-of-way acquisition program.

Respondents: Each of the 52 state DOT's (for the 50 states, the District of Columbia, and Puerto Rico) will be asked to respond to a written questionnaire. A subset of the state DOT's will be asked to participate in follow-up interviews.

Frequency: One-time survey.

Estimated Average Burden per Response: Approximately 2 hours per survey response and 1 hour per interview.

Estimated Total Annual Burden Hours: Approximately 120 hours.

Public Comments Invited: You are asked to comment on any aspect of this information collection, including: (1) Whether the proposed collection is necessary for the FHWA's performance; (2) the accuracy of the estimated burdens; (3) ways for the FHWA to enhance the quality, usefulness, and clarity of the collected information; and (4) ways that the burden could be minimized, including the use of electronic technology, without reducing the quality of the collected information. The agency will summarize and/or include your comments in the request for OMB's clearance of this information collection.

Authority: The Paperwork Reduction Act of 1995; 44 U.S.C. Chapter 35, as amended; and 49 CFR 1.48.

Issued on: April 11, 2019.

Michael Howell,

Information Collection Officer.
