We are soliciting public comments to permit the Department to:

- Evaluate whether the proposed information collection is necessary for the proper functions of the Department.

- Evaluate the accuracy of our estimate of the time and cost burden for this proposed collection, including the validity of the methodology and assumptions used.

- Enhance the quality, utility, and clarity of the information to be collected.

- Minimize the reporting burden on those who are to respond, including the use of automated collection techniques or other forms of information technology.

¹⁶ 17 CFR 200.30-3(a)(12).

Please note that comments submitted in response to this Notice are public record. Before including any detailed personal information, you should be aware that your comments as submitted, including your personal information, will be available for public review.

Abstract of Proposed Collection

This information collection is pursuant to ITAR parts 120–130 which set forth DDTC's licensing and agreements guidelines and requirements. This collection will make applicant submissions available via an online case management system. DDTC will utilize the collected information to fulfill its statutorily mandated function of reviewing and adjudicating requests to export or temporarily import defense articles, defense services, and related technical data. Upon approval and implementation of the DS-7788 (1405-XXXX), the Department will discontinue the use of the following forms and associated Information Collections as the DS-7788 consolidates the existing DDTC Licensing Forms into one single form; DSP-5 (1405-0003), DSP-61 (1405-0013), DSP-85 (1405-0022), DSP-73 (1405-0023), DSP-6, 62, & 74 (1405-0092), DS-6004 (1405-0173), DS-4294 (1405-0142), 1405-0093 (no form).

Methodology

License and other authorization application submissions are made via a completed DS-7788, which may be accessed from DDTC's website and submitted electronically.

Anthony M. Dearth,

Chief of Staff, Directorate of Defense Trade Controls, U.S. Department of State.
