Intent To Request Extension of Agency Information Collection Activity Under OMB Review: Baseline Assessment for Security Enhancement (BASE) Program

AGENCY: Transportation Security Administration, DHS.

ACTION: 60-Day notice.

SUMMARY: The Transportation Security Administration (TSA) invites public comment on one currently approved Information Collection Request (ICR), Office of Management and Budget (OMB) control number 1652–0062 abstracted below that we will submit to OMB for an extension in compliance with the Paperwork Reduction Act (PRA). The ICR assesses the current security practices in the mass transit/passenger rail and highway and motor carrier industries by way of the Baseline Assessment for Security Enhancement (BASE) program, which encompasses site visits and interviews, and is part of the larger domain awareness, prevention, and protection program supporting TSA's and the Department of Homeland Security's (DHS) missions. This voluntary collection allows TSA to conduct transportation security-related assessments during site visits with security and operating officials of certain surface transportation entities.

DATES: Send your comments by June 21, 2019.

ADDRESSES: Comments may be emailed to *TSAPRA@tsa.dhs.gov* or delivered to the TSA PRA Officer, Information Technology (IT), TSA–11, Transportation Security Administration, 601 South 12th Street, Arlington, VA 20598–6011.
