V. Application Review Information

A. Criteria for Special Need Grants: Rating criteria may be found at 38 CFR 61.40.

B. Review and Selection Process: Review and selection process may be found at 38 CFR 61.40.

Selections will be made based on criteria described in the FY 2016 application and additional information as specified in this NOFA.

C. Award Notice: Although subject to change, the GPD Program Office expects to announce grant awards during the late fourth quarter of FY 2019 (September). The initial announcement will be made via news release which will be posted on VA's National GPD Program website at www.va.gov/homeless/gpd.asp. Following the initial announcement, the GPD Office will mail notification letters to the grant recipients. Applicants who are not selected will be mailed a declination letter within 2 weeks of the initial announcement.

D. Administrative and National Policy: It is important to be aware that VA places great emphasis on responsibility and accountability. VA has procedures in place to monitor services provided to homeless Veterans and outcomes associated with the services provided in grant and per diem-funded programs. Applicants should be aware of the following:

(1) Awardees will be required to support their request for payments with adequate fiscal documentation as to income and expenses.

(2) All awardees that are selected in response to this NOFA must meet the requirements of the current edition of the Life Safety Code of the National Fire Protection Association as it relates to their specific facility. Applicants should note that all facilities are to be protected throughout by an approved automatic sprinkler system unless a facility is specifically exempted under the Life Safety Code. Applicants should consider this when submitting their grant applications, as no additional funds will be made available for capital improvements under this NOFA.

(3) Each program receiving Special Need funding will have a liaison appointed from a nearby VA medical facility to provide oversight and monitor services provided to homeless Veterans in the program.

(4) Monitoring will include at a minimum, a quarterly review of each GPD grantee's progress toward meeting performance goals, including the applicant's internal goals and objectives in helping Veterans attain housing stability, adequate income support, and self-sufficiency as identified in each GPD grantee's original application. Monitoring will also include a review of the agency's income and expenses as they relate to this project to ensure payment is accurate.

Each funded program will participate in the VA's national program monitoring and evaluation as these monitoring procedures will be used to determine successful accomplishment of these housing outcomes for each GPD-funded program.

Applicants with questions regarding the funding from previous Special Need awards should contact the VA Homeless Providers GPD Program Office prior to application.

A full copy of the regulations governing the GPD Program is available at the GPD website at <http://www.va.gov/HOMELESS/GPD.asp>.
