At such time, we will also instruct CBP to require a cash deposit equal to the estimated preliminary dumping margins reflected in the preliminary determination published in the **Federal Register**. The suspension of liquidation will remain in effect until further notice.

SUPPLEMENTARY INFORMATION:

Background

On November 7, 2018, the Department of Commerce (Commerce) initiated less-than-fair-value (LTFV) investigations of imports of polyester textured yarn (yarn)

from India and China.¹ Commerce exercised its discretion to toll all deadlines affected by the partial federal government closure from December 22, 2018, through the resumption of operations on January 29, 2019.² Currently, the preliminary determinations of these LTFV investigations are due no later than May 6, 2019.

Postponement of Preliminary Determinations

Section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the Act), requires Commerce to issue the preliminary determination in an LTFV investigation within 140 days after the date on which Commerce initiated the investigation. However, section 733(c)(1) of the Act permits Commerce to postpone the preliminary determination until no later than 190 days after the date on which Commerce initiated the investigation if: (A) The petitioner makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating and determines that (i) the investigation is extraordinarily complicated, and that (ii) additional time is necessary to make a preliminary determination. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.

On March 29, 2019, the petitioners³ submitted a timely request that Commerce postpone the preliminary determinations in these LTFV investigations.⁴ The petitioners stated that they requested postponement to allow Commerce time to gather all data and questionnaire responses and to allow Commerce and interested parties

All deadlines in these LTFV investigations affected by the partial federal government closure have been extended by 40 days. If the new deadline falls on a non-business day, in accordance with Commerce’s practice, the deadline will become the next business day.

time to fully and properly analyze all record evidence.⁵

In accordance with 19 CFR 351.205(e), the petitioners have stated the reasons for requesting a postponement of the preliminary determinations, and Commerce finds no compelling reason to deny the request. Therefore, Commerce is postponing the deadline for the preliminary determinations by 50 days (*i.e.*, 190 days after the date on which these investigations were initiated, plus the 40 tolling days), in accordance with section 733(c)(1)(A) of the Act. As a result, Commerce will issue its preliminary determinations no later than June 25, 2019. In accordance with section 735(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determinations of these investigations will continue to be 75 days after the date of the preliminary determinations, unless postponed at a later date.

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(1).

Certain Frozen Warmwater Shrimp From India: Preliminary Results of Antidumping Duty Administrative Review; 2017–2018

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily determines that certain frozen warmwater shrimp (shrimp) from India is being, or is likely to be, sold in the United States at less than normal value during the period of review (POR) February 1, 2017, through January 31, 2018.

DATES: Applicable April 23, 2019.

SUPPLEMENTARY INFORMATION:

Background

Commerce is conducting an administrative review of the antidumping duty order on shrimp from India. The review covers six producers and/or exporters of the subject merchandise. Commerce selected two mandatory respondents for individual examination: Calcutta Seafoods Pvt. Ltd./Bay Seafood Pvt. Ltd./Elque & Co. (collectively, the Elque Group); and Magnum Sea Foods Limited/Magnum Estates Limited (collectively, Magnum). The POR is February 1, 2017, through January 31, 2018.

We preliminarily determine that sales to the United States have been made below normal value and, therefore, are subject to antidumping duties. If these preliminary results are adopted in the final results of this review, we will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. We invite all interested parties to comment on these preliminary results.

Commerce exercised its discretion to toll all deadlines affected by the partial federal government closure from December 22, 2018, through the resumption of operations on January 29, 2019.¹ If the new deadline falls on a non-business day, in accordance with Commerce's practice, the deadline will become the next business day. Accordingly, the revised deadline for the preliminary results of this review is now April 9, 2019.

Scope of the Order

The merchandise subject to the order is certain frozen warmwater shrimp.² The product is currently classified under the following Harmonized Tariff Schedule of the United States (HTSUS) item numbers: 0306.17.00.03, 0306.17.00.06, 0306.17.00.09, 0306.17.00.12, 0306.17.00.15, 0306.17.00.18, 0306.17.00.21, 0306.17.00.24, 0306.17.00.27, 0306.17.00.40, 1605.21.10.30, and 1605.29.10.10. Although the HTSUS numbers are provided for convenience

¹ See Memorandum, "Deadlines Affected by the Partial Shutdown of the Federal Government," dated January 28, 2019. All deadlines in this segment of the proceeding have been extended by 40 days.

² For a complete description of the Scope of the Order, see Memorandum, "Decision Memorandum for the Preliminary Results of the 2017–2018 Administrative Review of the Antidumping Duty Order on Certain Frozen Warmwater Shrimp from India," dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

and for customs purposes, the written product description remains dispositive.

Methodology

Commerce is conducting this review in accordance with section 751(a)(2) of the Tariff Act of 1930, as amended (the Act). Export price is calculated in accordance with section 772 of the Act. Normal value is calculated in accordance with section 773 of the Act. Because the Elque Group did not provide useable cost data, we preliminarily determine to apply adverse facts available (AFA) to this respondent, in accordance with sections 776(a) and (b) of the Act and 19 CFR 351.308. For a full discussion of the rationale underlying our preliminary results, see the Preliminary Decision Memorandum.

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>, and to all parties in the Central Records Unit, room B8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/>. The signed and electronic versions of the Preliminary Decision Memorandum are identical in content. A list of the topics discussed in the Preliminary Decision Memorandum is attached at the Appendix to this notice.

Preliminary Results of the Review

As a result of this review, we preliminarily determine that weighted-average dumping margins exist for the respondents for the period February 1, 2017, through January 31, 2018, as follows:

Exporter/producer	Weighted-average dumping margin (percent)
Calcutta Seafoods Pvt. Ltd./Bay Seafood Pvt. Ltd./Elque & Co.	110.90
Magnum Sea Foods Limited/Magnum Estates Limited	1.87

Review-Specific Average Rate Applicable to the Following Companies:³

Exporter/producer	Weighted-average dumping margin (percent)
Blue-Fin Frozen Foods Pvt. Ltd	1.87
Crystal Sea Foods Private Limited	1.87
Forstar Frozen Foods Pvt. Ltd	1.87
Milsha Agro Exports Pvt. Ltd	1.87

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. An electronically-filed document must be received successfully in its entirety by ACCESS by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice.⁹ Hearing requests should contain: (1) The party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. of this notice, pursuant to section 751(a)(3)(A) of the Act.

Assessment Rates

Upon completion of the administrative review, Commerce shall determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review.¹¹ We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review. Where assessments are based upon total facts available, including AFA, we will instruct CBP to assess duties at the AFA margin rate.

Pursuant to 19 CFR 351.212(b)(1), because Magnum reported the entered value for all of its U.S. sales, we will calculate importer-specific *ad valorem* duty assessment rates based on the ratio of the total amount of antidumping duties calculated for the examined sales to the total entered value of the sales for which entered value was reported. Where either the respondent's weighted-average dumping margin is zero or *de minimis* within the meaning of 19 CFR 351.106(c), or an importer-specific rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

For the companies which were not selected for individual review, we will assign an assessment rate based on the average¹² of the cash deposit rates calculated for the companies selected for mandatory review (*i.e.*, the Elque Group and Magnum), excluding any which are *de minimis* or determined entirely on adverse facts available. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.¹³

We intend to issue liquidation instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for each specific company listed above will be that established in the final results of this review, except if the rate is less than

0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for previously reviewed or investigated companies not participating in this review, the cash deposit will continue to be the company-specific rate published for the most recently completed segment; (3) if the exporter is not a firm covered in this review, or the original less-than-fair-value (LTFV) investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent segment for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 10.17 percent, the all-others rate made effective by the LTFV investigation.¹⁴ These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: April 9, 2019.

Gary Taverman,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.
