BILLING CODE P

DEPARTMENT OF COMMERCE

Office of the Secretary, Office of Security; Submission for OMB Review; Comment Request; Foreign National Request Form

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: Office of the Secretary, Office of Security (OSY), Commerce.

Title: Foreign National Request Form.

OMB Control Number: 0690-0033.

Form Number(s): 207-12-1.

Type of Request: Regular (extension of a currently approved information collection).

Number of Respondents: 12,000.

Average Hours per Response: 15 minutes.

Burden Hours: 3,000.

Estimated Total Annual Cost to Public: \$0.

Needs and Uses: The Office of Security is requesting clearance of this collection to gather information to mitigate variances in foreign access management program implementation and registration information requirements needed to reach risk-based determinations of physical and logical access by foreign national visitors and guests to Commerce facilities and resources. The information collected will be used for risk-based assessments of short-term access or as partial completion towards long term guest research agreements and supporting security and background investigations for potential personal identity credential issuance in compliance with U.S. laws and regulations governing physical and logical access to federal facilities and information resources. Due to the increasing diversity of foreign national participation in departmental programs, considerable efforts have been made to baseline requirements as a means to define uniform program standards as well as to expand current guidance beyond foreign visitor control to manage emerging risks associated with physical and logical access to the Department's facilities and resources.
