

the internet. Members of the public who participate using the conference call phone number will be able to listen to the meeting but will not be heard. If you experience any technical problems with the webcast or conference call, please send an email to IACCPublicInquiries@mail.nih.gov.

Individuals wishing to participate in person or by using these electronic services and who need special assistance, such as captioning of the conference call or other reasonable accommodations, should submit a request to the Contact Person listed on this notice at least 5 days prior to the meeting.

Disability Accommodations: All IACC Full Meetings provide Closed Captioning through the NIH videocast website. Remote CART is provided through a web application and will be available at all meetings; the application can be used on a laptop computer or mobile device. For details please inquire with the Contact Person listed on the notice.

Individuals whose full participation in the meeting will require special accommodations (e.g., sign language, or interpreting services, etc.) must submit a request to the Contact Person listed on the notice at least seven (7) business days prior to the meeting. Such requests should include a detailed description of the accommodation needed and a way for the IACC to contact the requester if more information is needed to fill the request. Special requests should be made as early as possible; last minute requests may be made but may not be possible to accommodate.

Security: Visitors will be asked to show one form of identification (for example, a government-issued photo ID, driver's license, or passport) and to state the purpose of their visit. Also, as a part of security procedures, attendees should be prepared to present a photo ID at the meeting registration desk during the check-in process. Pre-registration is recommended. Seating will be limited to the room capacity and seats will be on a first come, first serve basis, with expedited check-in for those who are pre-registered.

Meeting schedule subject to change. Information about the IACC is available on the website: <http://www.iacc.hhs.gov>.

Dated: April 23, 2019.

Melanie J. Pantoja,

Program Analyst, Office of Federal Advisory Committee Policy.
