[Docket Number USCG-2019-0014]

RIN 1625-AA08

**Special Local Regulations; Sector Ohio Valley Annual and Recurring Special Local Regulations Update**

**AGENCY:** Coast Guard, DHS.

**ACTION:** Final rule.

**SUMMARY:** The Coast Guard is amending and updating its special local regulations relating to recurring marine parades, regattas, and other events that take place in the Coast Guard Sector Ohio Valley area of responsibility (AOR). This rule informs the public of regularly scheduled events that require additional safety measures through the establishing of a special local regulation. Through this rulemaking the current list of recurring special local regulations is updated with revisions, additional events, and removal of events that no longer take place in Sector Ohio Valley's AOR. When these special local regulations are enforced, certain restrictions are placed on marine traffic in specified areas.

**DATES:** This rule is effective May 2, 2019.

**ADDRESSES:** To view documents mentioned in this preamble as being available in the docket, go to <https://www.regulations.gov>, type USCG-2019-0014 in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this rule.

**FOR FURTHER INFORMATION CONTACT:** If you have questions on this rule, call or email Petty Officer Riley Jackson, Sector Ohio Valley, U.S. Coast Guard; telephone (502) 779-5347, email [Riley.S.Jackson@uscg.mil](mailto:Riley.S.Jackson@uscg.mil).

**SUPPLEMENTARY INFORMATION:****I. Table of Abbreviations**

CFR Code of Federal Regulations  
COTP Captain of the Port Sector Ohio Valley  
DHS Department of Homeland Security  
FR Federal Register  
NPRM Notice of proposed rulemaking  
§ Section  
U.S.C. United States Code

**II. Background Information and Regulatory History**

The Captain of the Port Sector Ohio Valley (COTP) is establishing, amending, and updating its current list

of recurring special local regulations codified under 33 CFR 100.801 in Table no. 1, for the COTP Ohio Valley zone.

On March 28, 2019, the Coast Guard published a notice of proposed rulemaking (NPRM) titled Sector Ohio Valley Annual and Recurring Special Local Regulations Update (84 FR 11688). During the comment period that ended April 12, 2019, zero comments were received.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making it effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be impracticable and contrary to the public interest because immediate action is necessary to respond to the potential safety hazards associated with these marine events.

### III. Legal Authority and Need for Rule

The Coast Guard's authority for establishing a special local regulation is contained at 33 U.S.C. 1233. The Coast Guard is amending and updating the special local regulations under 33 CFR part 100 to include the most up to date list of recurring special local regulations for events held on or around navigable waters within the Sector Ohio Valley AOR. These events include marine parades, boat races, swim events, and others. The current list under 33 CFR 100.801 requires amending to provide new information on existing special local regulations, include new special local regulations expected to recur annually or biannually, and to remove special local regulations that are no longer required. Issuing individual regulations for each new special local regulation, amendment, or removal of an existing special local regulation creates unnecessary administrative costs and burdens. This rulemaking reduces administrative overhead and provides the public with notice through publication in the **Federal Register** of the upcoming recurring special local regulations.

### IV. Discussion of Comments, Changes, and the Rule

As noted above, we received zero comments on our NPRM published March 28, 2019. There are no changes in the regulatory text of this rule from the proposed rule in the NPRM.

### V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

#### A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13771 directs agencies to control regulatory costs through a budgeting process. This rule has not been designated a "significant regulatory action," under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB), and pursuant to OMB guidance it is exempt from the requirements of Executive Order 13771.

The Coast Guard expects the economic impact of this rule to be minimal, and therefore a full regulatory evaluation is unnecessary. This rule establishes special local regulations limiting access to certain areas under 33 CFR 100 within Sector Ohio Valley's AOR. The effect of this rulemaking will not be significant because these special local regulations are limited in scope and duration. Deviation from the special local regulations established through this proposed rulemaking may be requested from the appropriate COTP and requests will be considered on a case-by-case basis. Broadcast Notices to Mariners and Local Notices to Mariners will inform the community of these special local regulations so that they may plan accordingly for these short restrictions on transit. Vessel traffic may request permission from the COTP Ohio Valley or a designated representative to enter the restricted areas.

#### B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard received no comments from the Small Business Administration on this rulemaking. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the special local regulation may be small entities, for the reasons stated in section V.A above this rule will not have a

significant economic impact on any vessel owner or operator.

This rule will affect the following entities, some of which may be small entities: The owners or operators of vessels intending to transit the special local regulation areas during periods of enforcement. The special local regulations will not have a significant economic impact on a substantial number of small entities because they are limited in scope and will be in effect for short periods of time. Before the enforcement period, the Coast Guard COTP will issue maritime advisories widely available to waterway users. Deviation from the special local regulations established through this rulemaking may be requested from the appropriate COTP and requests will be considered on a case-by-case basis.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

#### C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

#### D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and

have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

*E. Unfunded Mandates Reform Act*

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure,

we do discuss the effects of this rule elsewhere in this preamble.

*F. Environment*

We have analyzed this rule under Department of Homeland Security Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969(42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves the establishment of special local regulations related to marine event permits for marine parades, regattas, and other marine events. It is categorically excluded from further review under paragraph L61 of Figure 2–1 of the Commandant Instruction. A Record of Environmental Consideration (REC) supporting this determination is available in the docket where indicated in the **ADDRESSES** section of this preamble.

*G. Protest Activities*

The Coast Guard respects the First Amendment rights of protesters.

Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

**POSTAL SERVICE****39 CFR Part 111****Forms of Identification****AGENCY:** Postal Service™.**ACTION:** Final rule.

**SUMMARY:** The Postal Service is amending *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) for clarity and consistency in the standards regarding forms of identification.

**DATES:** *Effective:* June 23, 2019.**FOR FURTHER INFORMATION CONTACT:**

Karen Key at (202) 268-7492, Catherine Knox at (202) 268-5636, or Garry Rodriguez at (202) 268-7281.

**SUPPLEMENTARY INFORMATION:** The Postal Service published a notice of proposed rulemaking on March 1, 2019, (84 FR 7005-7010) to amend the DMM in various sections for clarity and consistency in the standards regarding forms of identification.

The Postal Service received 4 formal responses to the proposed rule. Two

responses were in agreement with the revisions to provide clarity and consistency regarding forms of identification.

Two responses questioned the proposal to eliminate university identification cards as a form of acceptable photo identification.

*Response:* The Postal Service has reconsidered its position and will allow U.S. university identification cards as a form of acceptable photo identification for certain retail products and services. Additions to the Proposed Rule are included below in section 608.10.3 and Exhibit 608.10.3.

As discussed in the Proposed Rule, the Postal Service is adding a new section 608.10.0, *Forms of Identification*. This new section will act as the primary source for consistent standards on forms of acceptable and unacceptable identification. DMM section 608.10.0 will include subsections that: (1) Provide a table of the products and services that require forms of acceptable identification and the number of forms (primary and secondary) required, (2) provide a description of “primary” forms of acceptable identification and include a table of which “primary” forms are acceptable for each product and service, (3) provide a description of “secondary” forms of acceptable identification, and (4) provide examples of forms of unacceptable identification.

Changes to the “primary” forms of acceptable identification will also

specify that some forms of foreign identification are accepted, including for establishing Post Office Box service.

The Postal Service is also amending the applicable product and service sections to point to new section 608.10.0. This will remove inconsistent and redundant text from the DMM. This includes amending current section 507.2.1.4a to expressly require a “primary” form of acceptable identification under 608.10.3 when presenting Form 3575, *Mail Forwarding Change of Address Order*, at a Post Office. Other than requiring a “primary” form of acceptable identification when Form 3575 is presented at a Post Office, the filing methods for a change-of-address will remain the same (*i.e.*, mail, presenting at a Post Office, or using internet Change of Address (ICOA) at <https://moversguide.usps.com>). The Postal Service will also update Form 3575 to reflect this requirement.

In addition, the Postal Service will update *Mailing Standards of the United States Postal Service*, International Mail Manual (IMM®) and Publication 52, *Hazardous, Restricted, and Perishable Mail*, under separate cover.

We believe these revisions will ensure clarity and consistency enabling the Postal Service to provide a superb customer experience from sender to receiver.

The Postal Service adopts the following changes to *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM),
