Estimation of the Cost to the Federal Government: The following table shows the estimated burden of Federal financial assistance review. HUD

estimates the cost of the maximum burden on HUD staff would total at most \$1,412,740.00. This estimate is based on the assumption that each form would be

reviewed for one hour by a GS13 step 5 performing a review, and then by a GS 14 and a GS15 who will look at summary results on an annual basis.²
